Mainscale Teacher of Health & Social Care

Appointment Information Pack

Message from the Headteacher

At Coombe Boys' School we are passionate about providing learners with opportunities that they would never have had before. We aim to fire the imagination and develop an aspiration and a work ethic that will enable learners to achieve their ambitions.

We believe that it is essential that school is a challenging, inspirational and transformational experience. We also believe that it must provide a moral framework for learners to live their lives by and that students perform to their best abilities when they feel supported, confident and happy.

We are enormously proud of our academic, sporting and cultural successes, however we are proudest of the fact that parents tell us that their sons are happy here and that they enjoy coming to school. Our successes have been recognised by the Department for Education who are funding a rebuilding programme for the school, which we hope will begin in Autumn 2023.

Thank you for taking the time to look at the information relating to this post. Please do contact the school if you have any queries or would like a tour of the school.

Kind regards

David Smith
Headteacher

Coombe prepares each student for their World of Opportunity by enabling individuals to flourish through:

innovative teaching that is inspirational, compelling and fun. It engages every learner in their journeys of self-discovery, fulfilment and academic excellence;

a community in which empathy, tolerance, integrity and shared purpose promote exemplary behaviour and outstanding relationships between all;

developing confident learners who are happy, resilient and committed to shaping their world. They are proud of their abilities, highly ambitious and excited about their potential.

Coombe Boys' School

Coombe Boys' is a popular and highly successful non-selective 11-18 school that is federated with Coombe Girls' School and three local primary schools to comprise the Coombe Academy Trust, based in New Malden. Coombe Boys' has approximately 1,000 students on roll, including a mixed sixth form.

Results at GCSE and in the Sixth Form are significantly above national averages and the school was graded Good with Outstanding Leadership & Management in its most recent Ofsted inspection (March 2018).

We are proud of our innovative and forward thinking learning culture and our partnerships enable us to provide a wide range of opportunities for career development. As part of the role, we are able to offer the National Professional Qualification for Senior Leadership in partnership with UCL and the Wandle Teaching School Hub.

Coombe Boys' School Health & Social Care Department

Health & Social Care is a very popular subject at the Coombe Sixth Form, we are looking to recruit an outstanding teacher who will teach the level 3 Diploma and Extended Diploma BTEC Health and Social Care course.

The department proudly achieved a 100% pass rate in Health & Social Care, with 50% of students achieving the highest D* or D grades. With half the students on the course therefore meeting their upper quartile targets, this placed them amongst the top 25% of all students nationally for Health & Social Care.

We regularly host guest speakers from across the Health & Social Care industry and we would like to build on this.

The department currently consists of one Head of Department based at the boys' school site and one full-time teacher who work together to deliver the BTEC level 3 Extended Diploma and Diploma courses to year 12 and 13 students. This post will be based at the boys' school site but may require some meetings to take place at Coombe Girls' School.

We are a teaching school that has and continues to support training and newly qualified teachers with great success.
