Langley Grammar School is an outstanding school and we are seeking an enthusiastic and well-qualified individual to join our Individual Needs Team and act as either a LSA or Higher Level Teaching Assistant (HLTA) to support high-functioning autistic students.

Knowledge and experience in de-escalation and regulation strategies and a Level 4 certificate for HLTAs or equivalent accreditations would be advantageous. However, all applications will be considered dependent upon previous school experience.

The successful candidate will primarily report to the School's Individual Needs Coordinator and will act to remove potential special educational needs barriers for individuals and groups of students through the graduated approach. This will involve liaising with teachers to proactively ensure appropriate adaptation of the curriculum and to have an impact on teaching and learning to support the development, learning, and progress of individual students.

Langley Grammar School is a co-educational 11-18 selective school with academy status, located within easy reach of Langley station and the M4. The school was inspected by Ofsted in November 2021 and was graded outstanding in all categories. We have approximately 1240 students, over 330 of whom are in the Sixth Form. The school is heavily over-subscribed and draws students from a wide geographical area and range of backgrounds. Alongside promoting excellent academic outcomes, our school ethos supports students to become confident and well-rounded, independent and creative, responsible and caring. Our students are capable, hardworking, and a delight to teach. We are a National Teaching School with a record of nationally recognised innovative practice and an Apple Distinguished School in recognition of our leading-edge use of technology for learning. In recent years major building programmes have included the construction of excellent sports facilities, a distinctive Sixth Form Centre, and new classrooms, workshops, laboratories, ICT suites, and staff accommodation. In February 2020 we took possession of our new teaching block and the current building programme was completed in autumn 2021. We enjoy fantastic new teaching spaces and communal areas.

Information packs and application forms are available on request from the school or can be downloaded from the school website at www.lgs.slough.sch.uk.

We are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. Applicants must be willing to undergo child protection screening appropriate to the post, including online checks, checks with past employers, and the Disclosure and Barring Service.

Applications should be returned by midday on **Friday 31st January 2025** to Mrs. De Cheyne, Head's PA at vacancies@lgs.slough.sch.uk. Interviews will be held thereafter. We reserve the right to interview promising candidates before the closing date.
