# **INFORMATION FOR CANDIDATES**

Tudor Grange Academy Solihull

Lead STEM Practitioner Teacher of Science

**Applicant Information Pack** 

National Support School designated by National College

#### **Dear Applicant**

Thank you for the interest you have shown in Tudor Grange Academy Solihull. We are very proud of our Academy and I regard it as a privilege to serve our community as Principal.

We are incredibly proud of our excellent national reputation for academic achievement, with an excellent record of both GCSE and A Level results. Last summer (2018), 91% of students achieved a 4+ in Maths and English, and 35% of GCSE grades awarded across all subjects were a 7 / A or above. Students who come here do exceptionally well and are excellent role models.

I consider myself to be lucky to work at a school where I enjoy coming to work each day. This is largely due to the wonderful team of staff here – both teaching and support staff. Teachers are exceptionally professional, committed and experts in their field. As a teaching school, teachers here enjoy working with colleagues to help them to develop – whether that is in the classroom, as a leader or with their own learning. The CPD offer here is wide and varied. Whatever stage of career you are at, there is something to help you to improve. The culture of the school is that we are all striving for continual development.

We have a strong commitment to traditional values and we have exceptionally high expectations of our students with regard to their appearance and conduct. Learning takes place without interruption and this allows students at Tudor Grange to make outstanding academic progress but they leave the Academy with so much more than that. We are committed to the development of the Tudor Habits which we believe are intrinsic to our success. One aspect involves developing the key learning habits needed to be hard-working, engaged, proactive students equipped with the tools and mindset needed to achieve. Alongside this, we encourage the development of key character habits that help students make the right choices beyond the classroom, enabling them to lead fulfilled lives as positive, kind and responsible people.

The academy is part of the Tudor Grange Academies Trust which includes: Tudor Grange Academy Worcester, Tudor Grange Academy Redditch, Tudor Grange Academy Samworth, Robert Smyth Academy, CTC Kingshurst Academy, Tudor Grange Primary Academy Haselor and Tudor Grange Primary Academy St James in Shirley. Opportunities within the Trust are readily available to outstanding practitioners who are keen to explore career progression. As part of our commitment to CPD, we have planned 8 INSET days for 2018-19, three of these being joint with the other Academies within the Trust, to allow for meaningful collaboration.

The Senior Leadership Team at the Academy are committed to creating an environment where every student and member of staff has the opportunity to reach their potential and where the happiness and well-being of staff and students is a high priority.

I wish you every success in your application and my colleagues and I look forward to meeting the successful shortlisted candidates.

Juith

# Lead STEM Practitioner - Teacher of Science

Closing Date:	Monday 20 <sup>th</sup> April 2019 (Interviews Thursday 23 <sup>rd</sup> May)			
Start date:	September 2019	Contract type:	Full Time	
Salary:	MPS/ UPS + TLR 3 £1500*	Contract term:	Permanent	
Suitable for NQTs:	Yes			

\*Recruitment incentives are available for exceptional candidates

Our staff are our most valued asset. As a National Teaching School ALL our staff have access to a wealth of support provided by outstanding practitioners.

## **The Role**

An enthusiastic, dynamic and creative teacher of Science with a passion for STEM and with curriculum leadership aspirations is required for September 2019 to join an ambitious and progressive department. Applications are welcome from both experienced teachers and NQTs. The department has close links to other schools in the Tudor Grange family. A wide range of teaching and learning strategies are used in the delivery of Science including a focus on developing students' independence and spontaneity.

Additionally, you will benefit from:

- Joining a department judged as outstanding in the school's most recent OFSTED inspection (June 2014).
- 96% of students achieved grade 4+ in separate sciences and 69% of students achieved grade 4+ in combined science in 2018.
- Teaching in a forward thinking department with excellent resources and facilities for teachers who love their subject.
- The opportunity to teach A Level (dependent on experience)

## **The Academy**

Tudor Grange Academy is a designated National Teaching School which means all our staff have access to excellent opportunities to flourish, develop and facilitate courses for other professionals. Tudor Grange Academy is an outstanding 11-18 comprehensive school situated in South Solihull in the West Midlands. Our results place the Academy in the top 5 of non-selective schools in the country and reinforces our reason for expanding and therefore offering some fantastic opportunities.

If you join us, you will benefit from:

- Teaching pupils who are well motivated
- Strong parental support
- An excellent induction programme
- Exceptional CPD opportunities for teachers and leaders at every stage of their career
- A real chance to develop in a forward thinking, highly successful academy

## **Mission Statement**

The mission of Tudor Grange Academy is to prepare young people to play an active part in a technologically mature society by providing them with exceptionally high level skills, qualifications and attitudes that will benefit themselves and the wider community in an internationally competitive world.

## **OFSTED Report**

"Academic standards are exceptionally high in all subjects. Students develop excellent attitudes to learning. A broad range of educational experiences develops students' personal and social skills exceptionally well and equips them most effectively for their next stage of education and the world beyond school. The new sixth form is outstanding. Students in all subjects make exceptional progress because they are challenged and their personal skills are strongly developed."

## **Local Area**

Solihull is the home of designer-brand shopping, idyllic rural villages, fine dining, fabulous hotels and home to the National Exhibition Centre and Genting Arena, which hosts an array of spectacular live events.

Still quaint, the town is dotted with historic architecture including timber-framed Tudor houses and shops and nearly three-quarters of the borough is defined as Green Belt. Add to that Solihull is surrounded by picturesque countryside.

Birmingham Airport is just 10 minutes away and Birmingham International station and Solihull station both provide excellent transport links across the country.

## **Staff Wellbeing**

We actively place staff wellbeing at the centre of everything we do. In our experience, happy teachers make a happy school. Our staff are our single biggest asset, and the success of our students depends on them. So we take care of, and invest in them, properly! A few of the things we offer are:

- A comprehensive CPD programme for all staff whether they are NQT, RQT or aspiring leaders.
- Free school meals for just two 25 minute lunch duties per fortnight
- A supportive, open and approachable leadership team
- Friendly colleagues who are always happy to help each other
- We really value our staff and will do whatever we can to meaningfully demonstrate that

## **Staff Incentives**

- Free staff activities including: fitness classes and sports clubs
- Free tea, coffee and biscuits
- On-site parking for staff
- The Academy participates in the childcare voucher scheme
- The Academy participates in the cycle to work scheme

#### Informal visits and conversations about the post are most welcome.

The recruitment process is robust in seeking to establish the commitment of candidates to support the school's measures to safeguard children and to identify, deter or reject people who might pose a risk of harm to children or are otherwise unsuited to work with them. The successful applicant will be required to undertake an Enhanced DBS check. All applications will be considered on their merit and the post will be offered subject to the usual health and criminal record clearance. We are committed to safeguarding and promoting we are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment.

# SCIENCE AT TUDOR GRANGE ACADEMY SOLIHULL

High quality teaching, delivered by forward-thinking, creative classroom practitioners is at the heart of successful learning in the science department of Tudor Grange. Within the department we aim to create a positive working environment where students are given every opportunity to achieve their potential. It is also important to us that members of staff feel valued and that they are supported fully in both their teaching and professional development.

Students are inducted into the department initially during the summer term of Year 6. They then follow the Collins Activate programme for KS3 science which is delivered and assessed in biology, chemistry and physics units. Our students transfer into their Key Stage 4 studies at the end of Year 8. Students follow the AQA specification for science and can opt to take a separate science or combined science route in Year 9.

Since September 2012 Tudor Grange Solihull has opened its own sixth form and take up for science courses has been high. Each cohort has three A Level groups in Biology and Chemistry and two A Level groups in Physics.

Tudor Grange Academy is a Teaching School and as such is committed to providing subject specific initial teacher training. The Science department supports its own ITT trainees as well as those on placement from PGCE courses at Warwick University and Birmingham University, GTP students and Warwick SAS students. We also support individuals aspiring to join the profession on 'taster' days.

An effective and hardworking team, the science department is the largest team in the school. There are currently 15 full-time members of staff, supported by four technicians. The science facilities were fully refurbished in August 2018 and each of the well-equipped laboratories have excellent facilities, including an e-LED LCD flat panel smartboard. Each science teacher has their own lab.

The Science curriculum area sets high standards and its performance is a key element within the school's strategic plan.

## **General Information**

The successful candidate will be expected to play a full and active part in developments in the Science subject area and a readiness to become involved in the extra-curricular life of the school would also be greatly valued.

Please be aware that by signing the declaration you are declaring that you are not on List 99, disqualified from work with children or subject to sanctions imposed by a regulatory body e.g. the General Teaching Council (GTC) and that you either have no convictions, cautions or bind-overs, or that you have attached details of these in a sealed envelope. You are also aware that you will be subject to a DBS Disclosure appropriate to the level of the post should you be successful.

Please be aware that providing false information is an offence and could result in the application being rejected, or summary dismissal if you are appointed on the strength of this, with possible referral to the police.

# ABOUT TUDOR GRANGE ACADEMY

Tudor Grange Academy is an outstanding 11 - 18 comprehensive school situated in South Solihull with a roll of 1560. The school was inspected by Ofsted in June 2014 who judged it to be outstanding overall and for each of the four main areas the school was categorised as outstanding. Tudor Grange is committed to delivering a high quality educational experience for all its students; it is also committed to sharing its experience and expertise with other educational institutions to raise attainment for all students. To this end we are a National Support School. We have also been awarded World Class School status.

From September 2011 Tudor Grange has been designated as a National Teaching School. This is a tremendously exciting development and has placed the academy at the heart of the school improvement agenda and we are a key player in the educational change agenda that Teaching School presents. This offers our staff the chance to flourish, develop and facilitate over courses for other professionals.

Tudor Grange Academy in Solihull has always been a beacon of excellence. Its focus on continuous improvement and belief that high quality teaching and learning is at the core of great schools has ensured that it has maintained its outstanding provision year on year.

Having secured outstanding provision for the students in their care, the Governors of Tudor Grange School, as it was, developed an ambition: every child deserves an outstanding education, not just the children within their school. They supported staff within Tudor Grange to engage fully in a wide range of national and international partnerships focussed on improving provision in schools. The Academies programme then provided an opportunity for them to sponsor a school in challenging circumstances, taking full responsibility for the quality of this provision and therefore potentially enabling them to realise their ambition.

In September 2009 Tudor Grange School, Solihull sponsored Tudor Grange Academy Worcester. The school is now oversubscribed and the school of choice within its local community. This successful sponsorship and effective school to school collaboration gave rise to the vision for Tudor Grange Academies Trust: a group working together in a model of meaningful, focused collaboration to achieve excellence in their schools.

The Trust, as at September 2018, is a Trust of eight schools: five secondary, one all through academy and two primary academies. Restlessness characterises all our academies: we are not afraid to challenge complacency and weaknesses identified are seen as opportunities to improve, the energy and drive for the ceaseless journey comes from our key ambition: 'Every child deserves an outstanding education.'

This movement as a Trust offers a huge opportunity for up to date training, cross curricular working, bespoke professional development pathways and allows all staff to be at the cutting edge of national and international educational movement. All staff are encouraged to better themselves and we collectively celebrate success in a vibrant and healthy working community.

# ACADEMIC ORGANISATION

At Tudor Grange we operate a two week timetable with 25 one hour lessons in each week.

The philosophy of Tudor Grange is that each student is entitled to a curriculum that prepares him or her for life's opportunities, responsibilities and experiences. Statutory requirements of the national curriculum are supplemented by the Academy's broader curricular provision.

At key stage three, students follow a common curriculum. In years 9, 10 and 11 students are offered greater choice, enabling a more personalised curriculum that meets the needs of each individual learner.

## **Key Stage Three**

All students in their first two years at the Academy study the core curriculum which includes English, mathematics, science, physical education, ICT, PSHE, religious studies, humanities, visual arts, music, design and technology, modern foreign languages and food. All students participate in an enrichment programme.

During year 8, full consultation takes place between staff, students and parents to support curriculum choices at key stage four.

## **Key Stage Four**

The key stage four curriculum is designed to give students every opportunity to achieve their full potential and to maximise the choices available at post-16.

All students in years 9, 10 and 11 study English language, English literature, mathematics, science and physical education. PSHE is taught across the curriculum.

There is a considerable amount of curriculum choice available and students can choose to study from a range of GCSEs.

## **Key Stage Five**

The curriculum at 6th Form is designed to prepare students for both university and the world of work. Each 6th Form student has their own specific goal and ambition and we ensure that each student has a personalised curriculum that meets their individual requirements. Students choose from a diverse range of qualifications so that they are able to participate in challenging and enjoyable courses.

We provide a variety of opportunities within the Academy, and are proud that our students have been able to succeed as peer mentors, sports coaches, volunteer care workers and much, much more.

# PASTORAL ORGANISATION

Students are looked after in one of six Colleges; Brunel, Darwin, Edison, Morse, Newton and da Vinci. Each college has a College Leader, a Student Achievement Support Manager (SASM) and a College Administrator.

In addition, we have a staff Year Champion for each year group.

When a student starts at Tudor Grange they are placed in one of 66 'vertical' tutor groups. Each tutor group has students from years 7 - 11 and is looked after by a tutor. Their tutor will monitor all aspects of the student's school life and is the first port of call for parents contacting the Academy.

Our newly refurbished Student Services offers a range of facilities for our young people including a first aid room with a dedicated first aider available all day every day.

# **EXTRA CURRICULAR ACTIVITIES**

As an Academy we feel strongly that the development of motor and interpersonal skills is enhanced by the opportunities and experiences students have outside of the classroom. Hence, we provide a diverse breadth of activities that are part of a weekly timetable for students to opt into. These activities run before, during or after school and are delivered by willing and specialist staff who want to relay their knowledge and passion.

The list below shows just a small selection of the programme on offer:

 Sports Teams including Football, Rugby, Netball, Hockey, Cricket, Basketball, Handball and Trampolining for both boys and girls

Various Choirs

- Various Orchestras
- Cheerleading
- Art and Photography
- Drama
- Dance
- STEM Club
- Combined Cadet Force (CCF)
- Chess Club
- Cooking Club

# **CREATIVE ARTS**

All students study Music, Drama and Art at KS3. At KS4 students can choose from a wide range of options including Art, Photography, Technology, Drama and Music.

There are also opportunities to attend Drama, Dance, Art and Music clubs outside of the classroom.

We organise several musical concerts and art exhibitions throughout the year, including the popular Christmas panto!

Previous productions have included Annie, Grease and Oliver.

# WHAT DO TEACHERS SAY

**Tudor Grange** is a school wher staff are professional and hardworking, setting themselves high standards which in turn rub off on our students

Ed, Teacher of Mathematics

# Tudor Grange is a progressive, dynamic and exciting place to work.

The leadership team, staff and the students are always seeking excellence and consistently striving to improve approaches in teaching and learning. There are always opportunities to develop, learn and grow as a practitioner.

Emily, Teacher of English

"

I like the **'yes culture'** that exists within the school, which means that those with the passion and drive to introduce new ideas, from departmental level to whole school, are given the confidence to move forward.

Tom, Teacher of History

# **EDUCATIONAL VISITS**

Tudor Grange Academy are able to offer a range of educational visits to our students to enhance their learning and give them opportunities to develop new skills and interests.

Our teaching and support staff are integral in offering these experiences to the students, and we are proud of the professionalism and commitment they display.

Below is a sample of some of the trips available to our students.

## Year 7 Adventure Weekend to Condover Hall

Held in October with team building and sports activities, dormitory accommodation. Giving students an opportunity to build new relationships with students and staff.

#### **Duke of Edinburgh Programme**

Bronze, Silver and Gold Duke of Edinburgh awards are offered to our students in Year 9 and above. Students undertake activities in Volunteering, Physical and Skills and take part in two walking/camping expeditions. This programme builds confidence and independence and is widely recognised by employers and further educational establishments.

#### Sixth Form Visit to CERN

A level science students spend a weekend in January visiting the world famous CERN site in Switzerland, with recreational and cultural activities included, staying in hotel accommodation.

## **European Ski Trip for Years 9 to 11**

This is a five day trip held in February half term, where students have an opportunity to take part in ski or snowboarding lessons, along with other recreational activities, such as bowling or ice-skating, staying in hotel accommodation.

## **European Football, Rugby, Netball Tour**

GCSE PE students take part in European sporting fixtures during May half term, visiting theme parks and sporting stadiums in their leisure time, with accommodation in hotels.

#### Year 8 European PGL Trip

A nine day camping trip taking place in July, with a variety of water sports activities.

## **GCSE Visual Arts Trip to Europe**

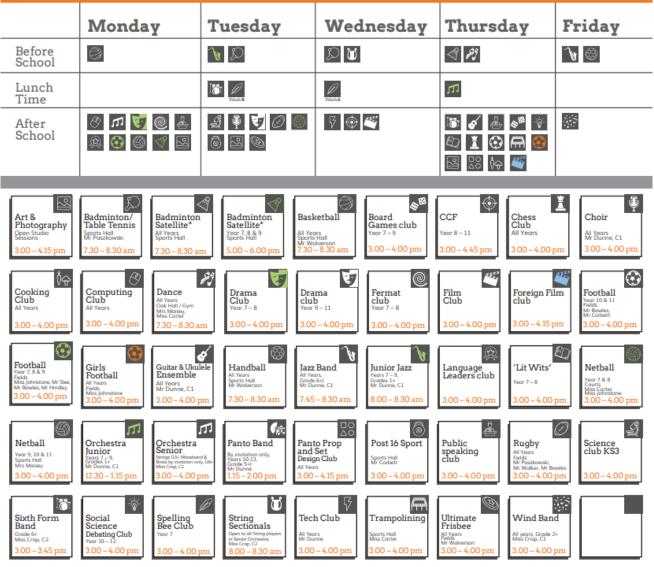

To help develop their drawing and photography skills, GCSE Visual Arts students can take part in this 4 day trip, staying in hotel accommodation, visiting museums and historical locations.

## **GCSE MFL Trip to Europe**

This five day trip to Europe gives GCSE MFL students an opportunity to visit a country where the foreign language they are studying is spoken and to experience the cultural and recreational activities of the region.

# MENU

# Cocktails

All teaching staff will receive 3 complimentary coaching experiences in an academic year. These coaching experiences are a unique way to enhance your effectiveness as a practitioner, coach and leader. More information on these coaching experiences can be found on the quality assurance calendar and your subject leader will take the lead on these in subject development meetings. During all coaching experiences the "pre mortem" process will be completed in advance and the coaching experience pro forma used diligently.

#### Line Manager Coaching (Autumn 1)

A 1 hour experience where your line manager will stimulate reflection based upon your pre mortem. This will help set your personal agenda following your end of year appraisal/review and inform your subsequent menu choices.

#### Intra Department Peer to Peer (Spring 1 and Summer 1)

2 x 30 minute "drive thru" or "incremental coaching experiences". You will be matched up with someone within your department/faculty/college who will drive thru for 30 minutes of a lesson in Spring 1 and then agree with you some deliberate foci for practice in the time gap before the second drive thru (Summer 1). You will work together to prep for the second visit and they will then support you to reflect on developments made.

\*Please note that NQT's are ineligible for Cocktails

# Light Bites

# 15 minute forums

Stop by WG1 on Wednesday mornings to get a flavour of work that colleagues have been deliberately doing. As they say on the tin, these 15 minute clinics are snappy episodes that will stimulate reflection and give you nuggets to go away and experiment with in your own classroom/department.

The programme is released on a specials board half termly and weekly prompts will be given by email and in briefing. The forums will primarily focus on the whole school T&L foci and Academy Development Plan but with a few spicy additions.

If you wish to attend a forum you will have to declare your intentions by the Monday break time so that refreshments can be ordered for you. These light bites are hugely popular so book early to avoid disappointment

# The HIT Programme

The High Impact Teaching (HIT) programme is aimed at making your teaching sizzle. During these 7 x 60 minute workshops, participants will focus on the 7 evidence based areas of excellent pedagogy, with a view to reviewing methodologies and their impact. This is a great opportunity to pick up new ideas and strategies that will enhance the effect you have in the classroom. What makes this programme so impactful is the wrap around support that comes with it. In addition to the profound facilitation from two of our most credible chefs you will also benefit from some objective peer to peer coaching and gap tasks that will allow you to apply and evaluate material covered in the workshops. This programme is for people with a big appetite for teaching and learning whatever phase of their career.

Key Ingredients: Challenge, Feedback, Practice, Scaffolding, Modelling, Questioning and Explanation

Head Chef: Jay Bargh and Emily Stallard

# The LDP Programme

Whether you are a; leader within the curriculum, PM reviewer, Year Champion, SASM or aspiring Senior Leader the Leadership Development Programme (LDP) sets about upskilling you to ensure you are positively influencing others. The 7 x 60 minute workshops will focus on concrete aspects of TGAS life but also some of the softer skills required to get the most out of colleagues and students. The programme will be led by a spectrum of people who will aim to tie the sessions in with your personal objectives but also provide "takeaways" (gap tasks and challenges) to supplement the work done in the session.

Key Ingredients: Utilising Data to Plan Intervention, Being an Empowering Coach, Making Everything about T&L, High Quality Presentation Skills, Managing Difficult Conversations, Leading through Values and Creating Accountability

Head Chef: Craig Walker

# Sharing Platters

# TGAS Annual

This year we will be releasing our bi-annual publication with all articles again coming from TGAS staff. All staff will receive a hard copy version of this publication and contributors have creative licence to write about any school/education related topic they see fit. This might vary from what you gained from your magpie day visit, a review of coaching experiences, challenges of working across a MAT or working smarter not harder. Our rationale for the publication is to celebrate peoples "deliberate" work and provide nuggets of inspiration.

#### Articles can come from one of 3 possible briefs:

 Magpie Day Reviews: Where did you go? Why did you go there? What did you see/hear about? How have you embedded into your work? What has the impact been?

2) Teachers Toolkit: A short guide to a strategy, task or activity that you have experimented with during the year. This should include a pre-mortem (how you expected the activity to work) and post mortem (how it actually worked).

3) Advice Section: Personal and professional challenges you have faced and your approach

to overcoming them.

Article drafts should be submitted to Head Chef Tom Peake

# External Training

As previously, if there is an externally run conference, course or workshop that you would benefit from attending please submit the application for external training" doc located at: Q>services>Staff learning>forms and admin to Craig Walker along with a LOA request. In advance of submission you should get informal approval from your line manager. Once the request and LOA is submitted it will then be reviewed at an SLT briefing and you will be informed within 2 working days. If approved your application will be forwarded to the Finance Department who will complete your registration and forward any necessary information. This process must be conformed to for external training of any nature, even if there is no cost incurred or cover implications.
