

March 2020

Dear Candidate

**Re: Vacancy – Teacher of Science – to commence Easter/September 2020
Possibility of a TLR for a suitable candidate – MLA1, currently £2,793.60pa**

Thank you for considering applying for the above post at Mayfield School.

- ✓ **Are you looking for a supportive, hardworking and dynamic Science faculty with which to continue your professional development?**
- ✓ **Do you want to work in a team that collaborates effectively and works for their students to improve their life chances?**
- ✓ **Are you a teacher who wants to make a difference and get the BEST out of your students?**
- ✓ **Able to teach up to KS5 in your subject specialism?**

If the answer to these questions is **yes**, then Mayfield School is the right place for you.

We are looking for a dynamic and inspirational Teacher of Science to join our progressive Science faculty.

The faculty consists of seventeen specialist science teachers who all play an integral part in the development and improvement of the science experiences across the school. Teachers across the faculty teach students in bands and/or ability sets from Year 7 to Year 11, and there is a growing cohort of students in the Sixth form studying A-level Biology, Chemistry and Physics, or BTEC Level 3 Applied Science.

Science has dedicated technicians that work with the Science Faculty in support of the teaching staff.

All newly qualified teachers are given their own classroom close to Science leaders for support and are given a full induction so they are ready to hit the ground running.

All teaching staff participate in a comprehensive CPD programme that builds on our aim for all students to 'be the best they can be'. This includes mentoring and coaching, participating in Teacher Learning Communities with other colleagues across the school, faculty specific INSET and collaborative development of resources and teaching approaches.

More information about the school can be found on our website, www.mayfieldschool.net including a month a Mayfield, videos focussed on different aspects of the school each month.

To apply please complete the teaching application form, which can be found on the TES website or on the school website. Completed application forms should be emailed to Tina Vorley, Head of HR, vorleyt@mayfieldschool.net before the closing date, Friday 27 March 2020, 12:00 (noon).

Pre-application visits are positively encouraged; should you wish to arrange a visit or require any additional information, please contact Tina at the school on the above email address or on her direct line 0208 215 7760.

Yours faithfully

Allison Greenwood (Ms)
Co-Headteacher

Lynn Campbell (Ms)
Co-Headteacher

A Humanities and Arts Specialist School
