Our Department:

The main focus of Ethics and Philosophy is to develop critical thinking skills and facilitate an exploration of not only religion and religious ways of life, but also key moral and ethical dilemmas that may face the world within the 21st century. When studying Ethics and Philosophy at The Cottesloe School, students are encouraged to embark upon a quest for answers to ultimate questions, such as 'What happens when we die?' and 'Does God exist?'. Through a wide and varied curriculum, students are encouraged to reflect on their opinions and beliefs, as well as challenging the views of others. Students in the Ethics and Philosophy department will study religious teachings and practices, as well as forms of expression and belief. We feel it is important that students gain an understanding of the impact that religion may have on individuals, families, communities and cultures. They are required to evaluate issues of truth, beliefs, faith and ethics and communicate these through a variety of methods.

Students' personal development is encouraged through practical participation in a range of activities. In tandem with the whole school, our ethos is shaped by **Prepare, Aspire, Succeed**. We **prepare** our students meticulously for what they have to do in each year and in each Key Stage. All of the work that they produce is exponentially building their skills, to ensure that they are fully equipped to achieve their targets and exceed these. We, thus, encourage our students to **aspire** to the very highest levels and celebrate their achievements with them when they **succeed**. We strive to teach to everyone's strengths and make our lessons as engaging as they can be, whilst differentiating and extending as a matter of course.

Making an Application

CVs are not accepted as part of the application process. If you wish to be considered for this post please complete an application form available from the school's website, providing full details of your education and employment history, including any unpaid or voluntary work. Where there are gaps in your employment history please state the reasons why (eg. gap year, career break, unemployed, etc).

Supporting Information

This section of the form is very important. It gives you an opportunity to explain why you are applying and why you are the best person for this job. Use the job description and person specification as your guide and give specific examples, where possible, to demonstrate how you match the requirements for this post. For teaching posts: please detail your experience of delivering teaching and learning and what impact your contribution would make in terms of raising standards at our school.

Please email your completed application form to recruitment@cottesloe.bucks.sch.uk or post to Mrs J Woods, HR Manager, The Cottesloe School, Aylesbury Road, Wing, Leighton Buzzard LU7 0NY.

We will review applications upon receipt.

We aim to shortlist and notify successful applicants within one week of the closing date. Unfortunately we are unable to provide individual feedback to applicants not selected for interview. If you are unsuccessful at application stage, it will be because you did not demonstrate that you meet the essential criteria for the role.

Interview and Selection Process

Your application will be judged solely on the basis of how you demonstrate that you meet the selection criteria stated in the job description. Essential criteria of the person specification are those, without which, a candidate would not be able to do the job. To be successful at the shortlisting stage you should clearly show how you meet each of the selection criteria for the post using examples of your skills and experience. Details of the interview programme will be confirmed in writing to shortlisted applicants along with a self-declaration form. As part of the selection process, in addition to assessing your skills and knowledge against the requirements of this role, specific questions will be asked to assess your suitability to work with children. Under the Equality Act 2010 we are legally required to consider making reasonable adjustments to ensure that disabled people are not disadvantaged in the recruitment and selection process.

Pre-employment Checks

References

All applicants will be asked to provide two referees, one of whom must be the applicant's current or most recent employer. Where an applicant is not currently working with children but has done so in the past then a reference will also be obtained from that previous employer. All shortlisted applicants will have references taken up, and this may include review of social media posts. Two satisfactory references

must be received before we confirm any offer of an appointment. The information we request will relate to salary, length of service, skills and abilities, suitability for the job, disciplinary record and suitability to work with children. References addressed "to whom it may concern" will not be accepted.

Disclosure and Barring Service

It is an offence to apply for a role if you are barred from engaging in regulated activity relevant to children. Employment at this school is subject to an enhanced check with the Disclosure and Barring Service. Under the Rehabilitation of Offenders Act 1974 (Exemption Amendment) Order 1975, 2013 and 2020 there are a number of jobs where we must take account of convictions, even though they are 'spent' (excluding youth cautions, reprimands and warnings). All posts at this school are regarded as such. However, spent and/or unspent convictions may not necessarily make you unsuitable for appointment. A certificate of good conduct will be required where a candidate has lived outside the UK for six months or more within the last five years. The school's policy is to renew DBS checks for all staff, volunteers and governors every five years. Staff have a duty to inform the Headteacher of any change in their DBS status and to make the Headteacher aware of any incidents that may impact on their ability to work with children and young people.

Validation of qualifications

All shortlisted candidates will be asked to bring original certificates of relevant qualifications to interview. These will be photocopied and kept on file and may be confirmed as genuine with the relevant awarding bodies.

Right to work in the United Kingdom

Under the Asylum and Immigration Act 1996 it is a criminal offence to employ anyone who is not entitled to live or work in the United Kingdom. Successful applicants will be asked to provide evidence from a list of acceptable documents, which will include photographic evidence, and right to work under the EU Settlement Scheme if applicable.

Teaching posts

The school will undertake checks for teacher status, prohibition orders, failed induction or probation, and historic sanctions and restrictions for all teachers (qualified or unqualified). The Department for Education Employer Access – Teacher Services website is used to process these checks.

Medical assessment

A satisfactory medical assessment will be required before we confirm any offer of an appointment. Any recommendations for reasonable adjustments to the working environment will be implemented upon commencement of duties.

Induction, Probation and Continuing Professional Development

On appointment your line manager will discuss an appropriate induction programme with you which will help familiarise you with the culture of the school, local practices and policies. You will also receive a copy of the current New Staff Handbook.

Support staff employees new to the school will be subject to a six month probationary period and a review of your performance will take place at the end of that period.

You will be offered the opportunity to further develop your professional knowledge by participating in training events.

School Policies and Procedures

The school has a wide range of policies and procedures which you will be made aware of and should familiarise yourself with, including Child Protection, Whistleblowing, Code of Conduct for Teaching and Support Staff, and Conduct and Discipline.

The Governing Board of The Cottesloe School is committed to safeguarding and promoting the welfare of the students. All staff and volunteers are expected to share this commitment, to follow the school's safeguarding policies and procedures and to behave appropriately towards children at all times whilst undertaking school activities and in their personal lives.

The school's policy is to renew DBS checks for all staff, volunteers and governors every five years. Staff have a duty to inform the Headteacher of any change in their DBS status and to make the Headteacher aware of any incidents that may impact on their ability to work with children and young people.
