We are seeking to appoint a dynamic individual with real commitment and drive to join the Nova Trust Education Team in their tireless pursuit of continual school improvement. The successful applicant will be based at the Nova Education Trust offices at the University of Nottingham Innovation Park and will be required to provide support to all the schools in our trust.

Given the scope and importance of this role to the Trust we anticipate that the successful applicant will have a deep understanding of the taught curriculum, allied with strong experience of delivering staff training.

Significant support will be provided to the successful applicant so that they fully understand the demands and expectations of the role allied to the core philosophy that drives trust actions.

This role is a new and exciting opportunity for an experienced educational leader to shape and develop the following areas of trust operations:

- Lead and shape our knowledge led curriculum (intent) at Key Stage 3 & 4. This will initially involve leading our curriculum subject leaders and assistant subject leaders in designing our curriculum intent in the suite of E.Bacc subjects.
- Leading and shaping the necessary training (implementation) across the trust with regard to the above, in conjunction with subject leaders and school leadership teams. This aspect of the role will require the successful candidate to work with a wide range of stakeholders.
- Work with executive leaders on improving our work in schools around student welfare, behaviour and safeguarding. This will involve collecting and analysing data for the NET Board of Directors.

The Nova offices are in the Sir Colin Campbell building on the University of Nottingham Jubilee campus. This is a modern, purpose built campus with many state of the art, sustainable and environmentally friendly buildings. It has facilities available to our staff such as a Starbucks coffee shop, two cafes, a convenience store, a discounted gym and plenty of outdoor space including a series of lakes. As part of the Nova Education Trust, you will enjoy the benefits of being part of our group of schools and have access to outstanding CPD, career development opportunities and a Westfield Health healthcare package. We also offer free parking and there are weekly networking events held on campus.
