About the Academy

Co-op Academy Failsworth, an Academy that has traditional values but which is at the cutting edge of technology. We are part of the Co-op Academies Trust and this brings many benefits.

We are a fully inclusive, popular and over-subscribed 11-16 comprehensive Academy with almost 1500 students on roll. The Academy became a Cooperative Trust School in April 2010 and in 2017 we seamlessly moved to become Co-op Academy Failsworth.

We offer and seek the following:

- We seek to provide a high quality education and pride ourselves on being an Academy that isn't afraid to take risks in order to develop both students and staff.
- We are committed to the support, nurture and development of our staff and place great importance on the provision of high quality professional developmental experiences and opportunities for all of our colleagues.
- We believe that our Academy is a stimulating and enjoyable place to teach and learn. We achieve our goals by a strong team working together in order to raise attainment and to improve our students' learning experiences.
- We want colleagues who want to teach, who demand high standards and who have a wide variety of experiences.
- Who knows what challenges will face us over the coming years? For those staff who are talented, ambitious, hardworking and enthusiastic there will be plenty of career opportunities which will offer you excellent developmental potential.
- In February 2008, we opened our £30 million state-of-the-art building. The building was specially designed around the students and teachers to maximise space and comfort, making it a safe and enjoyable place to be.
- We are extremely proud of being part of the Co-op Academies Trust and the ethos that this has afforded our Academy. The last year has seen vast developments for the Academy.
- We are not just an Academy - we are part of the community and are always looking to widen our participation and work more closely with the local people.
- We will offer you a superb and comprehensive range of CPD activities to further develop your career. Our CPD offer includes visits, whole Academy training, weekly dedicated time for Academy, faculty and individual CPD and collaborative planning. Your career matters to us and we will give you every chance to grow and develop, which ultimately supports our drive to be outstanding and further improve student progress. Every Thursday students finish at 2.00pm. Staff then have two hours dedicated CPD time.
- Failsworth is well placed for employees to live in either the vibrant city centre of Manchester as it is only 3 miles away. Alternatively, Oldham offers attractive and well priced housing in city and rural localities.

If you believe you have what it takes to build upon our success story then we look forward to meeting with you.

Wellbeing for Staff

One of the 4 aims in our Academy Plan is staff wellbeing. We are a responsible, caring employer who want to support staff to create a high performing team. We offer

- Cover vouchers to all staff
- 2.30pm finish on Friday
- One wellbeing CPD slot per term
- Staff breakfast each term
- Two hours CPD on a Thursday with an emphasis on collaborative planning
- Flexible INSET days providing an 11 day October half-term

Pastoral

The Academy currently operates traditional year group system, with tutors all focused on raising achievement. We call each form a Family, with groups of different ages to reflect normal life both at home and in the workplace. There are 12 Family Groups within each of the year groups.

Students who at times require extra support may be given this additional help in our Gateway Centre which is housed in the adjoining Sports Centre. The Academy has a very successful “Study Zone” and “Gold area” (for SEND students) who may need additional support to access their curriculum entitlement.

Subjects are currently grouped into departments – The core of Maths, English, EBacc subjects, Science, Humanities, MFL and foundation subjects Expressive Arts, IT, Citizenship, PE and Technology.

Extra-Curricular Activities

We have an extra-curricular programme second to none. This not only involves a wide range of trips, visits, musical, sporting, artistic and subject based activities but also a bespoke revision programme five nights of the week for our Year 11 students. Staff at the Academy go the extra mile(s) to support learning and to provide a wide range of opportunities.

Exams/Curriculum

The Academy has a condensed two year Key Stage 3 curriculum. In Year 9 students start GCSEs which lead to external accreditation at the end of Key Stage 4. The academy day is currently split into 5 x 60 minutes sessions. On Thursday each week the length of each lesson is reduced to 5 x 50 minutes to allow all our staff to undertake continuing professional development activities at the end of the academy day. We encourage and expect our students to become independent learners hence the staff are sensitive to different learning styles and are encouraged to share new ideas. With class sizes for KS3 between 20-30 and a KS4 average of 20, we give the students the attention they deserve and reward them for good, independent, active learning.

GCSE – Including English and Mathematics

	2014	2015	2016	2017	2018
A*-C	45%	42%	52%	53%	52%

These results will improve in the future.

Our Senior Leadership Team from September 2016 consists of the Headteacher, two Deputy Headteachers, and a Senior Director of Business and Human Resources.

Our Senior Leadership Group consists of the above four staff plus seven Assistant Headteachers, the School Finance & HR Manager and the IT Network Manager.

Staff

There are approximately 190 teaching and support staff across the Academy, all on hand to give help and support and all with the opportunity to participate in high quality professional development opportunities.

We are committed to offering continuing professional development activities for all staff to enable them to develop their career. We also have a number of long established staff who have embraced the internal opportunities - together this has created a friendly, approachable atmosphere.

Subject Information

HUMANITIES

The Humanities Faculty is a dynamic and forward looking subject area which has made great progress in recent years. It is made up of the discrete subjects of geography and history. These subject areas work closely in order to develop teaching and learning through the school's current priorities of:

- raising the attainment and progress of all students, but with a particular focus on boys and pupil premium children
- improving literacy skills that will enable students to raise their attainment and improve progress

At Key Stage 3 the Faculty follows the National Curriculum. The strong schemes of work provide the students with the foundations of knowledge, skills and understanding required for further study at GCSE. At the same time the imaginative pedagogy fosters a good degree of enjoyment, making the subjects very popular option choices at Key Stage 4.

Key Stage 4 begins in Year 9 and we currently offer three examination courses.

- AQA Geography
- AQA History

During the year a number of students participate in The Duke of Edinburgh award scheme. This is a popular enrichment activity with a number of students each year gaining Bronze and Silver awards.

Geography and History are taught separately throughout the school by a team of eight specialist teachers and all teach across the age and ability range. Indeed within humanities all classes are of mixed ability.

The school timetable operates on a weekly cycle of 5 one hour periods on a Monday, Tuesday, Wednesday and Friday. On a Thursday the periods are 50 minutes and this enables a focussed CPD session to take place in the afternoon. In Year 7 and 8 students receive one lesson each week. This increases to three lessons each week in Years 9, 10 and 11.

Classrooms on the Humanities wing are well equipped with a desktop computer, internet access, a Promethean interactive whiteboard, a dry wipe whiteboard and storage cupboards. The Humanities Faculty also has its own ICT suite and two laptop trolleys.

The staff base on the humanities wing is the focal point for the faculty. Here there a number of desktop computers to enable staff to plan and prepare lessons.
