Dear applicant,

First, I would like to say a huge thank you for your interest in working at Newton Abbot College.

When I started as Headteacher in September 2021 every time I asked a member of staff what they loved about working at Newton Abbot College the reply came back the same: the staff and the students! And after being here for two years, I completely agree with them; our staff body are friendly, caring, inspiring, diligent and collaborative. They epitomise the essence of team and I feel privileged to be part of it. And our students are kind, respectful, hard-working and take a real pride in our college community and the role that they play in it; they make me proud!

As a staff, our mission is to provide all our students with the best possible educational experience that we can; an experience that supports, challenges & inspires them to achieve their potential and develop into well rounded, kind, resilient and responsible young people, who have a deep love of learning and a curiosity about the world in which they live. We have the highest expectations and standards in all that we do; nowhere more so than in the classroom, where lessons are consistently high-quality, inspiring and engaging because all our teaching staff deliver lessons within the Newton Abbot College Lesson Framework that is based on the work of Lemov, Sherrington and Rosenshine.

Our curriculum is academically aspirational but also provides the right balance of challenge, support and personalisation to ensure every child succeeds. We ensure, both inside and outside the classroom that we maximise the opportunities we provide our students, so that they in turn can achieve beyond what they thought was possible. We do this by offering an enrichment calendar which is unrivalled in its breadth of offer and in what it has enabled our students to experience and achieve – most recently our U-14s Netball team getting through to the National Finals, and the college being awarded the ArtsMark Platinum Award.

We treat everyone in the Newton Abbot College community with care and compassion, providing a supportive and collaborative environment so together we create a strong culture and community that everyone plays a role in. It is a community that is built on our values of courage & perseverance, hard work & achievement, kindness & respect and pride & aspiration; values that we expect everybody to embrace and embody.

We offer our staff disruption free classrooms built on a whole college framework of behaviour for learning expectations; centralised behaviour systems; a weekly coaching programme for all staff (because, in the words of Dylan Williams, ‘every teacher needs to improve, not because they are not good enough, but because they can be even better’); opportunities for in-house career progression, access to our Trust leadership development programme and a leadership team who always prioritise staff wellbeing. We have very strong Pastoral and Business Support teams, who together play a vital part in helping us provide our students with the best possible educational experience we can.

If you share our passion and commitment to offer the best and be the best and would like to be part of the Newton Abbot College team as together we aim to achieve our mission, then please apply; we would love to hear from you.

THE ART DEPARTMENT

Introduction
We are ambitious and committed to offering every opportunity to our students to enable them to enjoy and appreciate the visual arts, achieve their potential and enrich their lives.

There are currently three teachers of Art supported by a technician who we share with the other Creative Arts subjects. We are a student-focused team who work hard to develop an inquisitive and experimental approach to Art and Design in our students. Lessons contain opportunities for collaboration, discussion, independent enquiry, reflection and improvement. We have high expectations of our students in terms of their progress, achievement and behaviour and are very high performing; our examination results are excellent at GCSE and A level.

Facilities
The Art Department is based on the Dyrons site. We have three purpose-built, fully equipped Art rooms and are very well-resourced with a dark room, kiln room, oil paints, stone carving tools, a printing press, laptops, digital cameras and iPads.

Curriculum
The college operates a five-period day within a two-week timetable. All students in KS3 have a one hour lesson per week; students studying GCSE from Year 9 have five lessons per fortnight and sixth formers have nine lessons per fortnight. Our schemes of work aim to challenge students, develop their practical skills and enable them to express their critical understanding of art, craft and design.

At KS4 we offer GCSE Fine Art and GCSE Photography. Post-16 we offer A Levels in Fine Art and Photography. We also offer the bronze and silver Arts Awards.

Extra-curricular
The department provides many extra-curricular opportunities for our students, including lunch and after college clubs, artists’ workshops and life drawing. In KS3 we offer an art week in St Ives as part of our Activities Week, in KS4 a visit to the Tate Modern and a KS5 European Study trip.

The post
We expect the successful candidate to work with colleagues in driving forward high standards in teaching and learning. This post involves teaching KS3 art, some KS4 Fine Art and KS4 Photography. The ability to teach Photoshop as part of the GCSE Photography curriculum is an essential requirement.

The team is looking forward to welcoming the successful applicant into the department.
