The academy has increased in popularity over the past two years and we now have a waiting list across our year groups.

# About NUSA

Nottingham University Samworth Academy (NUSA) provides a caring community for students to grow, learn and achieve together, both academically and as young people.

## Ethos

- We work hard and are kind
- We have high expectations of students and staff
- We believe every student can succeed
- We ensure barriers to learning are challenged and overcome
- We expect teaching to be well planned, varied and stimulating
- We believe learning should be active, focused and engaging
- We insist on high standards of behaviour
- We support students to engage in effective learning

## Pastoral Care

At NUSA, we pride ourselves on the quality of support, care and guidance given to individual pupils. We operate a year system which is led by a Head of Year and supported by a group of Pastoral Support Managers who work alongside all year groups.

Our pastoral team is also made up of our attendance and safeguarding leaders who work together to ensure that pupils receive as much support as is needed to enable them to be successful in school.

Our pastoral system provides pupils with the care that they need whilst allowing them to nurture friendships and develop a strong sense of community.

Mentors play an active role in ensuring that pupils are happy, well supported and fully engaged in school life. Mentors also serve as the first point of contact between school and home. NUSA is a very caring community and the health, happiness and well-being of students underpins the overall ethos and philosophy.

## Quality of Education

At NUSA, we develop a clear and compelling curriculum intent that will transform the lives of young people. Our curriculum is broad and rich to allow all students to learn the cumulative knowledge, skills and cultural capital they need to succeed in life.

We continually develop and cohere the curriculum in response to regular review of effectiveness and provide even greater depth and ambition than the National Curriculum, deliberately focusing on the needs of the students and their community.

We ensure the curriculum is successfully adapted, designed or developed to ambitiously meet the needs of all pupils, including those with SEND. The curriculum is implemented so pupils' learning of it is secure, consistent and effective in all subjects. Effective home learning is integrated well within the curriculum and contributes to making learning more secure whilst complimenting learning in class.

Bespoke and effective CPL programmes allow all teachers to develop expert knowledge and highly-effective pedagogical skills and practice. Strategically build leadership capacity within Subject Leaders.

## Enrichment

We offer a comprehensive programme of extra-curricular opportunities, enabling students to extend their learning beyond the classroom and providing them with further opportunity to learn new skills. A broad range of sporting, artistic and academic courses are available allowing students to fully explore and develop their potential.

## Focused Provision Unit for the Deaf

We are proud to say that NUSA houses a Focused Provision Unit to support the needs of their deaf students. The students in the Focused Provision Unit, or 'Deaf Base' as it is fondly referred to by the students, are very much part of the school community and join in with all aspects of school life.

## Leadership and Culture

Our leaders place their values at the heart of everything they do and a compelling culture exists within the school. They are innovative and willing to share expertise, time and capacity to support the quality of experience for students. Ambition thrives within the school and the community, with all stakeholders working openly and collegially to provide a deeper, richer experience for all.

Our staff eagerly invest in their personal and professional development and we are proud that staff well-being and professional development sits at the heart of all school planning and practices.

Our students are self-regulating and intrinsically motivated to become the best version of themselves. The school community is truly inclusive and self-generates a culture in which the contributions and achievements of all are valued and celebrated.

## Welcome from the CEO

---

Dear Applicant,

Thank you for your interest in working at the heart of **Nova Education Trust**. I hope that you will find this pack useful and informative in helping you to find out more about our organisation and to complete your application.

Since 2011, Nova Education Trust has successfully supported schools of all phases to secure improved educational standards. Over the last two years, our organisation has undergone a significant transformation and is unrecognisable culturally, educationally, financially and in governance terms from the organisation it was pre-2021.

Educationally, we go from strength to strength. 96% of our academies are now judged by Ofsted as Good or Outstanding, compared to 47% that weren't when they joined us. Nova's MAT performance for Progress 8 and 5+ EM across all of the schools is currently ranked as one of the highest in the region. We are highly valued and respected by the DfE, the Local Authorities and other local trusts. This is testament to our brilliant pupils, staff and the communities that we serve. Our trust support and governance is strong and has been externally recognised as amongst the best in the sector and our organisation is financially stable. We understand and we believe that schools belong to their communities — the mission is the same, but the vision may look different in our range of contexts and settings.

We are committed to our vision, values, ambitions and principles, and we are determined to achieve our mission of creating transformational schools. We are looking for a talented and inspirational leader who is committed to transforming the lives of our learners, with the imagination, passion and experience to support and challenge us to even greater things in the service of our young people.

Nova Education Trust is an organisation that trusts and empowers its staff. Front and centre to this is our commitment to well-being and engagement because we believe in enabling people to be at their best. We

are changing the way we support people to grow and develop, through 'coaching, not telling' — we now have over 150 professionally-trained coaches in the organisation and we have plans to train all middle and senior leaders. We think it's essential that colleagues can access excellent professional development and progression pathways which suit their individual needs. We pledge to lead the way with Diversity, Equity and Inclusion in our organisation. We will introduce new and innovative ways to increase the diversity of our workforce and continue to strive for an inclusive culture in which people have a voice and can contribute, feel a sense of belonging and are able to be themselves.

It is such a pleasure and privilege to lead such a talented group of staff who are forever looking for new and innovative ways to make us even better, each and every day. I am so proud of what we have achieved so far but I know that we can do even better, despite the challenging educational landscape that we find ourselves in. We have a highly skilled, experienced, dynamic and diverse board. They are so supportive yet professionally challenging and there is a great synergy and trust between the board and the executive team.

If you have got a sense of humour, drive, energy and enthusiasm to make us even better then we'd love to hear from you. This is a fantastic opportunity to join a values-driven trust at an exciting stage in our development.

Further information can be found at [novaeducationtrust.net/careers](https://novaeducationtrust.net/careers).

We look forward to receiving your application.
