About Us

The Liberty Academy Trust is an education charity established in 2022. Our purpose is to deliver an education for our children that meets their needs, aspirations, and interests, and which prepares them well for adulthood. Our values of courage, determination and teamwork are the key drivers to bring about positive change, so that all our children and young people can be successful now and, in their future, lives.

We are currently a small Trust of three academies, with plans to grow so that our reach and impact can extend further. Committed to providing an excellent education for autistic children and young people, our approach is to support the whole child, offering a balance of personalised teaching and therapeutic support as standard.

The Vanguard school in Lambeth opened in 2020 and provides a curriculum for students from across the spectrum who have a range of learning needs. The school provides opportunities for the development of a wide range of independent living skills, focusing on community inclusion.

Thank you for your interest in this role at Vanguard School, within Liberty Academy Trust. This is a hugely exciting time for our family of academies as we seek to grow and extend our reach so that we can make a real difference to the lives and life chances of children – and particularly those who are autistic – so they receive the educational opportunity they deserve.

The Trust currently has three academies based in the local areas of Cheshire East, Reading and Kennington; all of which are at different stages of development. We are clear on the importance of achieving long-term sustainability for our academies.

Our vision is to lead through moral purpose, whilst taking advantage of collaborative opportunities and partnership work, to secure an excellent educational offer for our children and young people. Employees within the Trust belong to a community of professionals and benefit from an increasingly wide range of networks and development opportunities across the Trust, which will increase further as we grow.

With high expectations for staff and pupils alike, those we recruit can demonstrate that they share our values, are highly motivated to work with colleagues to continuously develop their skills, pursue professional excellence, and are committed to providing the highest standards.

If you see yourself in that description, then we would be delighted to receive your application.

Dr Nic Crossley, Chief Executive
