

Dear Applicant

Re: Appointment of a new Headteacher for REACH School

Thank you for your interest in this post. The governors at REACH School are seeking to appoint a Headteacher for January 2023 or sooner if possible.

REACH School is an Alternative Provision school based in Kings Heath, Birmingham. We are committed to providing a curriculum that is nurturing yet challenging, balanced yet individualised whilst being high quality, engaging and broad to ensure we meet the needs of our students in Years 9 - 11.

All students are challenged to exceed their own expectations in an environment that puts their individual needs at the centre of everything.

The key principles behind our approach:

- High Expectations
- Exemplary Behaviour
- Excellent Teaching
- Every Student Known

We are extremely proud of our school and are looking for a strong and dynamic leader who can inspire children and adults and continue to build productive relationships with our pupils, their parents and carers, the staff, governors and the wider community.

The successful candidate will have the determination, creativity, and vision to further develop and lead a provision which ensures good outcomes for all. They will have a genuine desire to work openly, inclusively and collaboratively with other secondary schools. A passion for teaching and learning with experience in an alternative provision secondary setting or experience of working closely with alternative provision settings is a must.

Our staff are a talented, creative and passionate team who take every opportunity to cultivate an environment in which our pupils can succeed.

This post is a fantastic opportunity for you to make a real difference and lead the school through the many changes that education is currently experiencing.

In return for your exceptional leadership we offer a dynamic Governing Body that will support and challenge you in equal measure. We will take your own professional development and work life balance seriously whilst having the highest expectations of you as a leader.

Further information about our school can be found on our school website:
