# Welcome from the Headmistress

Thankyou for your interest in St Swithun's!

We are proud to be a High-Performance Learning School and a member of the Fellowship of World Class Schools.

The High-Performance Learning philosophy is that:

- **High achievement** is an attainable target for everyone;
- **Intelligence** is not fixed; we can all become cleverer;
- **High performers** are made, not born, they work for it.

HPL involves the systematic and explicit encouragement and empowerment of students to develop the ways of thinking and ways of behaving that will equip them for success both in school and beyond. It is the cornerstone of our philosophy.

Jane Gandee, Headmistress

We are also a girls' school and as such we expect and support all our students to **enjoy and excel** in a range of subjects and activities according to their interests and not their gender. We seek to be free from unhelpful stereotyping and to offer genuinely limitless education.

Further, we are a high trust community, and we try always to behave with a seriousness of intention and a lightness of touch. We believe the best of staff and students and often see our expectations exceeded and a joke cracked along the way.

If this short introduction resonates with you, we will very much welcome an application from you.

# Our school

St Swithun's School, Winchester is a leading GSA and HMC school offering day, weekly boarding and full boarding for 520 girls aged 11-18. The senior school has six boarding houses for full and weekly boarders, with separate houses for those in their first year and those in the upper sixth. There is also an adjoining IAPS Prep School for girls aged 3-11 with a co-educational nursery.

The girls benefit from excellent teaching, sporting and recreational facilities. St Swithun's is academically selective and regularly appears in the top 30 schools in the national league tables.

## Our Location

The school is set on a campus of 45 acres overlooking the Hampshire Downs and within the South Downs National Park. The school is within walking distance of the centre of Winchester, and only a 50-minute journey from central London.

Winchester and its surrounding areas offer outstanding local cultural, historical, sporting and entertainment opportunities in addition to fantastic access to outdoor pursuits. Southampton, Portsmouth, Salisbury and Bournemouth are all easily accessible on public transport.

# Our ethos

St Swithun's is an appropriately academic school which means that we celebrate intellectual curiosity and the life of the mind, but not to the exclusion of all else. We expect our pupils to develop individual passions and through them to acquire a range of skills and characteristics. These characteristics will include a willingness to take risks, to question and to debate, and to persevere in the face of difficulty. In the words of Samuel Beckett: "Ever tried. Ever failed. No matter. Try again. Fail again. Fail better." If a girl can immediately excel at everything, we ask of her, we as educators must set the bar higher.

We want all pupils to learn about life beyond the school gates, to appreciate the rich variety of our world, to develop an understanding of compassion and to value justice. We encourage all pupils to become involved in fundraising and community work. They should appreciate how their decisions and their actions can affect those around them.

By the time a pupil leaves St Swithun's she will be well-educated, courageous, compassionate, committed and self-confident with a love of learning, a moral compass and a sense of humour.

# Our community

St Swithun's was founded in 1884 by Anna Bramston, daughter of the Dean of Winchester, and Christian values underpin our approach to education. We provide a civilised and caring environment in which all girls and staff are valued for their individual gifts and encouraged to develop a sense of spirituality and of kindness. We believe that kindness and tolerance are at the heart of any fully functioning community. Our staff are friendly and supportive, and the school is committed to supporting the wellbeing and professional development of its employees.

The school is committed to maintaining the vision of its founder by offering bursaries for girls who would otherwise not have the opportunity of a St Swithun's education.

# Our facilities

School buildings are modern and well equipped. As well as academic classrooms and science labs, there is a magnificent performing arts centre with a 600-seat auditorium, a music school, an art and technology block, sports halls and a full-size swimming pool.

We have recently started the first phase of a major project to create new indoor sports facilities. Information about our Active Lives project can be found [here](#).

There is an impressive library, higher education and student guidance department and ICT facilities. The grounds are spacious and encompass sports fields, courts and gardens.

The School is registered as a Company Limited by Guarantee and as a charity and has a wholly owned subsidiary company (St Swithun's School Letting Company Limited).

A separate charity, [Bramston Foundation](#), looks after our transformational bursary programme.

## Application Form

Applications will only be accepted from candidates completing the enclosed application form in full. CVs will not be accepted in substitution for completed application forms.

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post.

Accordingly this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as 'spent' must be declared.

The successful applicant will be required to complete a disclosure application form from the Disclosure and Barring Service.

In accordance with government guidelines, we will seek references on shortlisted candidates for teaching and some other posts, and approach previous employers for information to verify particular experience or qualifications before interview. In other cases, if this has not been done, any offer of a post will be conditional upon receipt of satisfactory references.

References should be from the applicant's current or most recent employer. If the current/most recent employer does/did not involve work with children, then the second reference should, if possible, be from the employer with whom the applicant most recently worked with children. Referees should not be a relative or someone known to the applicant solely as a friend.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so, the outcome of any enquiry or disciplinary procedure. If you are not currently working with children, but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer not applicable if your duties have not brought you into contact with children or young persons. The School will only accept references obtained directly from the referee and will not rely on references provided by the applicant or on open references or testimonials.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and possible referral to the police and/or DfES Children's Safeguarding Operation Unit.
