International School Brunei

## Background

International School Brunei was established in 1964 as a not-for-profit organisation with a Board of Directors to oversee the development of the school - a status that exists to this day.

In 2015 the school moved to a brand new 22 acre site on the outskirts of Bandar Seri Begawan, the capital of Brunei Darussalam. At the same time, 'The Residence' a state of the art Boarding House, was opened to cater for up to 120 students aged 11 - 18.

ISB offers education from Nursery (2yrs) and the National Curriculum of England from Year 1 (4yrs old) to Year 8 (13yrs) followed by IGCSEs (14-16yrs) and the IB Diploma programme in the Pre-University section (16 - 18yrs).

ISB is non-selective, and currently has over 1100 students from over 40 different nationalities. Academic results are outstanding. IB Diploma results are consistently above the World Average, and over the years students have attended their first choice universities such as Oxford, Cambridge, Durham, Yale and Princeton.

In addition to the Bandar campus, ISB Seria, 1 hour from the capital, is the second campus. Catering for primary

students. ISB is also in the process of establishing a Centre for Inclusive Learning to support further students with learning needs. An English Language Centre (ELC) and a CACHE Adult learning programme completes the ISB offer.

## The Position

International School Brunei requires an experienced teacher to join the successful Secondary School Language and Literature Faculty. The ideal candidate will join a dynamic faculty focussed on the highest possible standards of teaching and learning. The ability to teach, and experience of, English to Key Stage 5 is a distinct advantage and IBDP experience is preferred but not essential.

English is a core subject at ISB, studied by all students in Secondary, with high levels of attainment, enjoyment and engagement. All students following an adapted British Curriculum at KS3, then have the opportunity to study English First Language and English Literature at IGCSE through Cambridge Assessment International Examinations. At IBDP students have the option to study English A Language and Literature at either Standard Level or Higher Level.

ISB is an inclusive school, therefore the successful candidate will need to have a wide range of pedagogical approaches to English

teaching and be able to deliver innovative and engaging lessons which engage all students.
