In accordance with the guidance published by the DfES, any offer of employment made by the college will be conditional upon the college verifying the successful applicant’s medical fitness for the role. Therefore, if your application is successful, you will be required to complete a medical questionnaire the responses to which will be assessed by the College’s medical adviser before any offer of employment is confirmed. There may be circumstances when it will be necessary for the college’s medical adviser to be given access to your medical records and/or for you to be referred to a specialist clinician.

Important information about your chosen referee

On the next page we require the names and contact details of at least two and up to three people who we may contact for references. Please note the following:

- One of your references must be your current or most recent employer.
- If your current or most recent employer does not/did not involve work with children, then your second or third referee should be from your employer with whom you mostly recently worked with children.
- We do not accept 'private' or 'character' references, ie references from a relative or someone known to you solely as a friend.
- We do not accept references from a colleague who has not held a senior position to you in the same organisation.

Where possible the college intends to take up references from all shortlisted candidates. As we are a company that works with young people, the references must be completed in full using the supplied college reference request form. To help the college with this process you could:

- Inform your referees to look out for an emailed reference request from the college.
- Advise your referees that the form needs to be completed in full using the supplied college reference request form and returned promptly.
