Welcome to
Amity International School
Amsterdam

Thank you for your interest in one of our vacancies. We are looking for candidates that are willing to go the extra mile for our school to be successful.

Are you the open-minded, dedicated and experienced colleague we are looking for?

Who are we?

Amity International School Amsterdam is a young and vibrant school in Amstelveen, continuing to grow and flourish. Our goal as a school has not changed since we first opened our doors in February 2018 and our vision remains the same: we want to empower each individual to thrive and make a positive difference.

An accredited International Baccalaureate (IB) school for the Primary Years Programme (PYP) and the Middle Years Programme (MYP). We are also a Candidate School* for the Diploma Programme (DP). We offer a globally recognised curriculum that challenges students to take responsibility for their own learning and encourages them to become active world citizens.

We pride ourselves in supporting and challenging every student to achieve excellence in all aspects of their life. We believe our students are more successful when close relationships and support systems have been built between home and school.

We value diversity and aspire to be an inclusive school. Our students and staff come from 39 different nationalities. Being such a diverse school allows us to learn from each other and helps children to gain a better understanding of what it means to be a global citizen and internationally-minded. Developing as a global citizen also encompasses our interactions with the physical world around us.

Our school is fortuitously based in an awe-inspiring monumental building surrounded by lush historical parklands. We look to reap the benefits of our position by ensuring learning opportunities

occur outside of the classroom as much as possible on the school grounds or on trips further afield. In the local area, we have access to amazing sports facilities and we make use of these every week.

Amity International School Amsterdam is part of the Amity Education Group, which has over 175,000 students worldwide. The Amity Education Group is a not for profit education foundation founded 30 years ago. We pride ourselves on providing globally benchmarked education – from pre-school to Ph.D. We have campuses across Amsterdam, Dubai, London, Singapore, New York, Delhi, Tashkent and plans to be in every major city of the world. With our wealth of knowledge and expertise, progressive teaching methods, together with state-of-the-art infrastructure at every campus, enables our students to become forward-thinking individuals, who are not only ready, but eager to change the world for the better.

On behalf of our entire team, we look forward to meeting you and are confident you will leave amazed by every aspect of our school from the facilities, technology, professional yet friendly ambience and most importantly the high level of learning occurring at the school.
