THE AREA

Chippenham is set on a prominent crossing of the River Avon and lies between Marlborough Downs to the east, the Cotswolds to the north and west and Salisbury Plain to the south. Surrounding the town are a number of stone-built villages, including Lacock (National Trust), Biddestone and Castle Combe. The town is just four miles south of junction 17 of the M4 motorway, giving easy access to London, Bristol and South Wales. The A4 coach road from London provides an alternative route to Bristol via Bath, and the A420 and B4069 bring you to Bristol and Oxford.

Chippenham is on the main line rail route from London Paddington to the West Country.

THE SCHOOL

Abbeyfield School is a flourishing school which was founded at the start of this century and since then much has changed, however the essence of school life and drive for achievement has remained. This was echoed by Ofsted recently who said that we are a school community “which welcomes everyone and encourages them to succeed.”

We are now proud to be amongst the best schools in Wiltshire for our GCSE exam results. Our A-Level results are very strong too with many students choosing to progress into our Sixth Form, which continues to grow in numbers and in the variety of academic courses on offer.

Our teachers have very high expectations and in our House assemblies I have laid down the challenge to all students to be the very best they can be for themselves, their year group, their House and our school. Abbeyfield was judged by Ofsted in March 2017 as good school and we are delighted that they recognise our outstanding leadership, management and pupil behaviour. Please take the time to read our report on either our school or Ofsted websites.

OUR VISION AND VALUES

Our motto is simple: **‘Big enough to make a difference, yet small enough to know each child.’**

Vision Statement

Abbeyfield School has a strong identity which is founded on four key themes which all who join our community need to share.

They are:

- integrity
- determination
- innovation
- drive

Collectively, these four principals shape the students’ approach to their learning and equip them for life beyond school.

Our 3 key priorities are:

- Teaching and learning
- Leadership at all levels; and
- Rigour within all our transition points.
