We invite applications from teachers who share our vision for delivering World Class Catholic education.

The successful candidate will have enjoyed a range of experiences to date that will have prepared them for this role. They will be outstanding classroom practitioners who can demonstrate a track record of raising standards and importantly, be child centered and able to inspire young people to be the best that they can be. The successful candidate will have the highest expectations for both the young people, staff and our wider community, underpinned by our Catholic ethos and mission and aligned with our Catholic values.

As part of our whole school improvement plan, we are completely redesigning our approach to SEND. We welcome applications from candidates seeking to undertake the National Professional Qualification for SEND.
