Dear Candidate,

Thank you for taking the time to consider joining the talented staff team here at Firth Park Academy. As Principal I love to see students succeed, so to be in a job devoted to helping every student achieve the best they can in learning and life is a real privilege.

I am so proud of the progress our students make and the effort our staff and parents invest in supporting our students.

It was great to see our achievements recognised by Ofsted, rating us as a good school.

As a result of continuing improvement in our students' learning and behaviour, their achievement is better than ever before. Former staff, students and parents tell me we are now a very different school.

I know perceptions play a big part in your decision when choosing the right school in which to build a successful career. So don't just take my word for it, come and visit us to see for yourself.

Dean Jones (Principal) d.jones@firthpark.sheffield.sch.uk

Welcome to Firth Park Academy

Our aim is 'to inspire young people to make their best better'.

We are proud to have earned the award for 'Best Secondary School in Sheffield 2015/16' (Sheffield Star Best in Education Awards Oct '15). As a team we as celebrate in being:

- Rated a 'Good' school in every area by Ofsted (June 2015).
- One of Sheffield's best schools for improvement in 5A*-C incl. Eng./Maths attainment in 2015.
- Winners of more Sheffield Children's University Awards for extra-curricular learning than any other school in our city.
- A richly diverse community with students speaking more than 30 home languages.
- A leading school in our trust – Academies Enterprise Trust – the largest trust in the UK with more career development opportunities than any other.

We are a school where the atmosphere is calm and students try their very best in an environment where staff care for them. Our core purpose is clear:

- We believe in **Strength in Diversity**, celebrate our different cultures with a real sense of community.
- We are an **Open Doors Academy**, with approachable staff, helping our students to progress on to the best schools, colleges and apprenticeships.

Our core values are **Respect, Resilience** and **Aspiration**:

- By **respect** we mean that everyone values all members of our school community and demonstrates good manners.
- By **resilience** we mean that everyone always tries their best and perseveres.
- By **aspiration** we mean that everyone aims to achieve their best in learning and life.

Proud to be an AET Academy

Academies Enterprise Trust is the biggest Academy Partnership in the United Kingdom, with 64 schools (Primary, Secondary and Special) across England

Firth Park Academy is part of the AET Northern region where we work in particularly close partnership with the cluster of schools in this area to share professional development opportunities and best practice in our teaching and leadership at all levels.

Our Location

Firth Park Academy is part of a community in the North of Sheffield, easily accessible from the M1 motorway.

Sheffield itself, situated in South Yorkshire is the fourth largest city in the UK. With our strong motorway links, we are easily commutable from Rotherham, Barnsley, Doncaster, Leeds, North Derbyshire and Nottinghamshire areas.

Did you know?

- Sheffield is often known as the City of Steel and 2013 marked 100 years since Stainless Steel was discovered in Sheffield. It was also the location for the filming of "The Full Monty" - actually filmed in and around the Firth Park area, plus more recent films like 'x plus y'.
- Sheffield offers an unrivalled quality of life, combining the best of city living with the beauty and tranquillity of the Peak District National Park. Sheffield is actually England's greenest city with more than 200 parks, woodlands and gardens. It is also the only city within the UK to have a national park within its boundary - one third of our city lies within the Peak District National Park. It is no surprise it has the highest retention rate for University students in any UK city.
- Sheffield is a safe city - it has the lowest rate of recorded violence against the person of all the core cities. This is due in part to the high level of social cohesion - community engagement and integration of its diverse population is key for our school and city leaders alike.
- Sheffield is one of the best value environments to live in. Research shows that the city is not only 25% less expensive to live in than London, it is actually 10% cheaper than the national average.

We would welcome any potential colleagues to come in and visit us and see our school in action!

What our staff say

Harriet Edge, Director of Learning in Languages

I completed my second PGCE placement at Firth Park and I was keen to be appointed after my experience within the MFL department. In January of 2010 I was appointed as an NQT. In September of 2011 I was appointed to be Deputy Director of Learning in MFL, a post I held for two years. I also was supported through my Masters in Teaching and Learning at Firth Park Academy by my faculty and senior leaders. In 2013 I applied to be Director of Learning of languages and was successful. The faculty has evolved since I started and now encompasses MFL and EAL, as well as the New to English programme, teaching English to pupils who arrive to the country that speak little or no English. Firth Park has been a great place for my career to grow with a great network of support, no matter the level you are at in your career.

Mat Galvin, Assistant Principal for Teaching & Learning

Since joining the Academy I've done my best to get fully involved with Academy life. I've been involved with lots of the working parties and initiatives, whilst improving T&L and outcomes in Science. Having led on lots of whole school CPD, I was delighted to be appointed Assistant Principal for Teaching and Learning. This has meant working at a strategic level on whole school priorities, collaborating with other schools in the area and representing the Academy at events. It's helped me to continue to improve my own practice and to improve whole school teaching and learning, so improving student's life chances. Having an impact at a faculty and whole school level has been incredibly rewarding.

he Academy has been very supportive through this whole process, including approving my application for the SSAT Aspirant Head Programme.
