

APPLICATION PACK

ASSISTANT CURRICULUM LEADER

DESIGN, ART AND TECHNOLOGY

Dear Applicant

Thank you for your interest in the post of Assistant Curriculum Leader Design, Art and Technology at our School. The School has secured a top 10% progress score, as measured by value added, for the past four years and repeated this performance in 2018 at Post 16.

Heston is a high performing, fully inclusive and comprehensive Community School, with approximately 1250 students including 280 in our Sixth Form. Occupying approximately ten acres, adjacent to Osterley Park, the School boasts its own leisure centre and fantastic sports facilities, including several multi-surface pitches and a specialist Centre for the Hearing Impaired, serving Hounslow and the surrounding Boroughs.

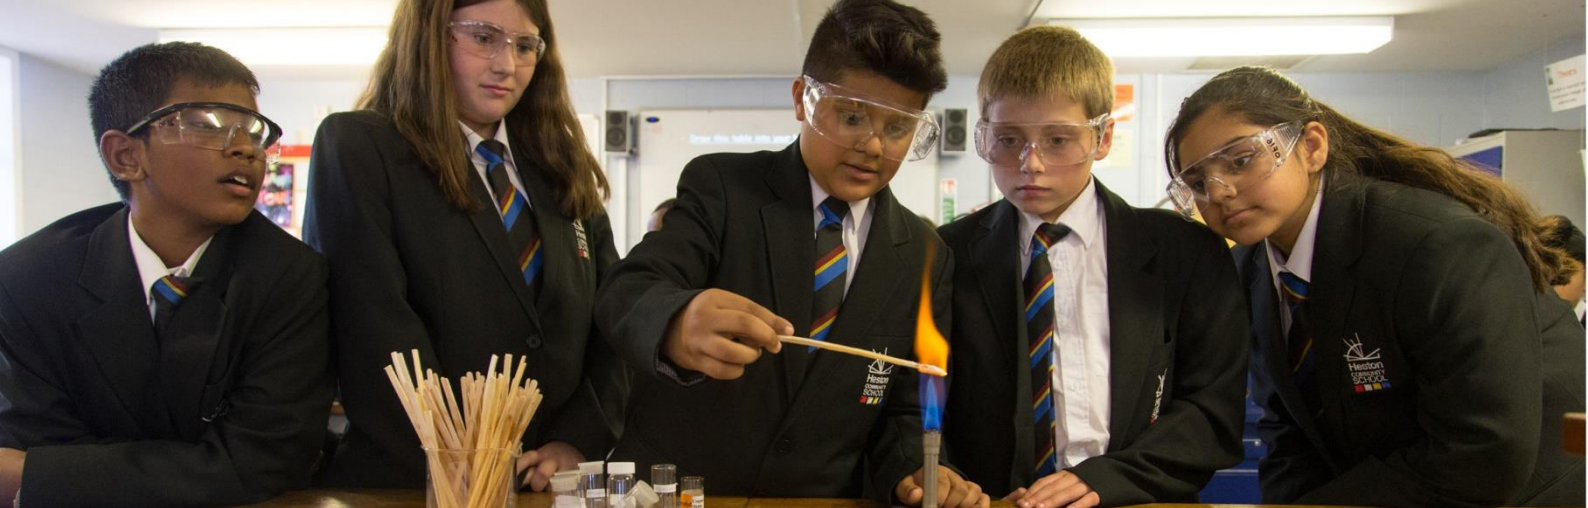

I trust that the advert and person specification make clear that, first and foremost, we are looking for an exceptional Teacher of Art who can demonstrate a strong track record of delivering excellent academic outcomes - a colleague who will add value to the DART Team.

As with every application pack, it is near impossible to capture definitively the nature and character of the School or the full extent of the role for which you are applying. However, the key qualities that we are looking for in every appointment are intelligence, integrity and a capacity for sustained hard work - professionals that never shy away from rolling up their sleeves to ensure that no member of the School community ever feels that they must work in isolation.

Though I appreciate it is not always possible, I would encourage you to visit the School prior to making an application, to see for yourself the community of staff and students you would join. I am confident that you will experience what many of our visitors comment on: 'Students enjoy coming to school, work hard and have excellent relationships with their teachers.' [Ofsted 2016]

Yours sincerely

Mr Ranjit Berdesha
Headteacher
