The Collegiate Trust Vision

Every school outstanding and delivering an exceptional education for all

The Collegiate Trust exists to improve education in and around Croydon for children and young people up to the age of 18, thereby preparing them from an early age for success – in school, at university, in ambitious careers and throughout a fulfilling life. We are building a local partnership of six schools for all ages over the next five years which will work collaboratively to deliver *Exceptional Education for All*. Such an **exceptional education** values and delivers wonderful academic learning and progress, but puts right alongside this the development of wider skills and qualities that come through a balanced focus on creative, cultural and active learning; it is driven by a strong Local Governing Body, under our clear Trust framework, and delivered by an expert Principal and team of teachers and support staff. The successful learners developed by our schools become confident individuals and responsible citizens in our modern British society.

The Collegiate Trust Values

Riddlesdown Collegiate Vision

To be an outstanding academy where we:

- uphold our values
- provide inspirational and innovative experiences within and beyond the classroom
- value, support and develop staff
- deliver successful outcomes and positive futures for all of our students

Riddlesdown Collegiate Values

Our ethos is to be a community in which all member are valued and value each other. We are the leaders of the Riddlesdown community, responsible for our learning and the Collegiate. We work together to maximise our own achievement and those of others. In applying for a post a Riddledown Collegiate, applicants should consider how they would promote our values in their day-to-day work with students, colleagues and other stakeholders.

Value each other
Aim high
Lead by example
Use and develop our talents
Excel in our efforts
Stick at it

Our Structure

We operate a “small schools” model – one school made up of a number of smaller learning communities, which we call Colleges, each with their own staff and facilities. Each College is led by its own Headteacher (who is an Assistant Principal) and has its own team of approximately 25 teachers and non-teachers, covering most curriculum areas. Students join one of the Colleges in Year 7 and remain there for five years before transferring to College VI, our specialist post-16 provision. In addition, the Creative and Performing Arts (CPA) College delivers specialist education to students across the Collegiate in Art, Drama, Design Technology, Media, Music and Physical Education whilst the MacKay College co-ordinates inclusion services to students with additional needs. Small teams, working with just 400 students each, allow us to provide even better pastoral care to all students, as well as engage with learners and their families in more effective partnerships. They also provide teaching across the curriculum and learning teams focusing on personalised approaches and best serving the needs of the individual students in their care.

Our aim is that all students should actively engage with a variety of religious and social issues and we strive to ensure that students not only have an understanding of religion but also that they are encouraged to explore and debate issues in an informed and sensitive manner.

Year 7 students study Religious Education through the Excellence Curriculum – an integrated approach which also delivers Geography, History and PSHEE, and simultaneously develops strong learning habits and approaches which support students as they progress. In Years 8 & 9, students study Religious Education for three lessons per fortnight. Students study aspects of all religious traditions at Key Stage 3 and are encouraged to seek comparisons between them, whilst identifying evidence of their beliefs and practices in everyday situations. Year 10 students study and complete the WJEC Eduqas GCSE full course in one year. In Component 1 of this course, Christianity and Hinduism are studied and in Component 2 and 3 each of these religions are focused on separately and in-depth.
