

**WILSTHORPE
SCHOOL**

CANDIDATE PACK

WELCOME FROM THE HEADTEACHER

On the wall, when you first step through the main entrance at Wilsthorpe School, are some words that sum up what the school is about: "learning should be an inspirational journey, in a climate of dignity and respect". These two guiding principles – education focused on both academic rigour and positive regard for each other – are at the heart of the Wilsthorpe family. Students and staff alike talk about "excellence in learning" and "relationships first". Wilsthorpe is a school that takes academic success seriously, but always alongside empathy, character and kindness.

In 2018, the Wilsthorpe community moved out of a sprawling, dilapidated building into state-of-the-art facilities. This has given curriculum areas ownership of teaching spaces and has given teachers ownership of their individual classrooms. The school was identified by the government in 2021 as one of the first 50 schools to benefit from an investment of £1 billion over the coming years, to transform the final sections of the site, so that our students have access to the very latest resources. In spite of this leap forward in the school's facilities, what hasn't changed is the school's emphasis on those two key tenets of a great education: "excellence in learning" and "relationships first".

The school was originally a Business and Enterprise College, but now boasts a broad curriculum with a strong core of Maths, English and Science at its heart, alongside genuine sporting excellence, very high levels of participation in the Arts and D&T, and a growing Languages department. Amongst the 1,140 students, the Humanities subjects are notably popular at both GCSE and A Level, as well as a range of IT and Computing qualifications. As part of The Two Counties Trust, the school is now part of a wider family of schools and academies, offering exceptional opportunities for professional learning and sharing common values of "Ambition, Teamwork and Honesty".

The school community is particularly proud of its Sixth Form, which in recent years has achieved the highest value-added scores of any local state provider. The curriculum in Years 12-13 is sufficiently broad to cater for student interests and aspirations, alongside small-group teaching and personalised care and guidance. The school is heavily oversubscribed across all year groups, with a record 500 applications for 210 places in Year 7 in September 2022.

Looking to the future, the same things that have brought about transformational progress over the past 10 years – a passion for learning alongside supportive relationships – will take the school towards becoming the outstanding institution its students deserve. At its last inspection, OFSTED commented, "This is a highly motivated, positive and caring school community" and "Pupils behave in an exemplary fashion". Both OFSTED and the students themselves describe Wilsthorpe as "a second family". Wilsthorpe is indeed a place where staff and students alike can flourish.

If you haven't already, I recommend that you visit the school and see us in action. We are always happy to meet prospective applicants and to talk openly and honestly about the school and the post on offer.

HOW TO APPLY

TES is our recruitment platform so please go to www.tes.com/jobs to apply for this role online.

If you do not wish to apply online you can request an application form from HR@ttct.co.uk to be returned via e-mail.

Please ensure that you set out in your application on no more than 2 sides of A4, why your experience and ambition is a good fit for the role of SEMH Intervention Leader within Wilsthorpe School.

In order to comply with Safeguarding requirements, you must complete either an application form or apply online via TES. We cannot accept a Curriculum Vitae as an application for this post.

Please note that we receive a large number of applications and so unfortunately cannot provide feedback to everyone. If you have not been contacted within four weeks of the closing date you should assume that your application has not been successful on this occasion.

Applications must arrive by Sunday 20 July 2025 at midday.

Interviews will be held on Thursday 24 July 2025.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile

The job profile includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate and up to date. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but, the name of the most senior person who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher **must** be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer is conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form. This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department to review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
