

New Regent's College

16th April 2026

Dear Candidate,

Thank you for your interest in the School Business Manager position at new Regent's College.

New Regent's College is Hackney's Pupil Referral Unit (PRU) and Alternative Provision. We work with some of the borough's most vulnerable and complex young people - those who have experienced exclusion, disruption, trauma, and disadvantage. Our mission is to re-engage students with learning, rebuild their confidence, and provide the academic, social, and emotional support they need to succeed.

We are proud of our inclusive ethos, our highly skilled and dedicated staff, and the positive difference we make every day. Our students deserve the very highest standards of care, teaching, and ambition. As a school, we are committed to innovation, equity, and the belief that no young person is beyond success.

This is a significant opportunity to join a deeply committed leadership team and play a pivotal role in shaping the operational and strategic direction of the college. The successful candidate will provide expert leadership in financial management, resource planning, and business operations—ensuring that every aspect of the school's infrastructure enables outstanding provision for our students. Working in close partnership with the Headteacher and governors, they will drive efficiency, sustainability, and compliance while securing best value and supporting long-term organisational development

We are seeking a leader who acts with integrity, builds strong relationships, and is committed to ensuring that every decision and resource supports the needs of our learners - particularly those most at risk of being left behind.

If you share our commitment to inclusion, innovation, and high expectations for all, we warmly welcome your application.

Yours Sincerely,

Jo Byrne

Headteacher: Jo Byrne

Nile Street, Hoxton, London, N1 7RD
