CANDIDATE PACK

WELCOME TO SELSTON HIGH SCHOOL

Thank you for your interest in applying for a post at Selston High School. I am delighted that you wish to find out more about our school. My name is David Broomhead, and I am proud to introduce myself as Headteacher. In a few words, I would like to share with you a sense of our compelling school culture, school ethos and values. We pride ourselves on working hard to provide our students with opportunities and experiences to enhance their life choices, making a positive contribution to the world we share.

We are a 11-16 school with 900 students. We work with our local community and neighbouring schools to establish strong relationships that support high standards and expectations. For the last three years, the school has been oversubscribed.

We have 4 school values that are lived by both students and staff; Ambition, Teamwork, Honesty and Respect. Our values and drivers provide us with a focus and enable us to aspire to achieve our aim; for every student to achieve their full potential and enjoy the experience of attending Selston High School.

All values are especially important to us; although the value of Respect has been long standing on our school site and is deep with the foundations of our historical building.

During our latest Ofsted inspection in April 2019, the school was again graded 'Good' in all areas. We are pleased with this judgement, but we also know that there is more work to be done in order to provide our students with the very best education and life experiences that will prepare them for the world of work. At the last inspection, Ofsted noted, "pupils are polite and courteous to each other. Mutual respect between pupils is clearly evident. There is a convivial atmosphere during social times and a calm learning environment throughout lessons. Pupils feel safe, well cared for and supported in school."

Selston High school is a fantastic place to work. Staff are hardworking, ambitious and friendly. We value strong professional relationships and are looking to recruit people with these qualities. We put people first and commit to providing high impact professional development and instruction an instructional coaching model.

Looking ahead, we strive to promote a passion for learning by delivering a high quality, knowledge rich curriculum. We are open and honest and are always looking to grow our provision through accurate reflection. We continue to invest in our building and facilities and look forward to sharing the next phase of our journey with you.

If you haven't already, I would recommend that you visit the school to see for yourself what we are all about. I would be delighted to welcome you on site to see the school in action.

Thank you again,

DAVID BROOMHEAD

HOW TO APPLY

TES is our recruitment platform so please go to www.tes.com/jobs to apply for this role online.

If you do not wish to apply online you can download an application form from this link and then email your application to HR-Team@ttct.co.uk.

Please ensure that you set out in your application on no more than 2 sides of A4, why your experience and ambition is a good fit for the role of Teaching Assistant within Selston High School.

In order to comply with Safeguarding requirements, you must complete either an application form or apply online via TES. We cannot accept a Curriculum Vitae as an application for this post.

Please note that we receive a large number of applications and so unfortunately cannot provide feedback to everyone. If you have not been contacted within four weeks of the closing date you should assume that your application has not been successful on this occasion.

Applications must arrive by Friday 03 May 2024 at midday.

Interviews will be held on a date to be confirmed.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile.

The job profile includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible.

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate, up to date and your employment dates are correct. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed.

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission.

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful!

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References.

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but someone in a position of seniority who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher should be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer will be conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring.

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form.

This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
