About Us

Set in the heart of Cambridge, St John's College School is an independent co-educational school (over 400 children aged 4-13), which traces its roots to the Seventeenth Century when it was founded by St John's College for the education of the Choristers of the College Choir. It is described by the Good Schools Guide as "a joyous place that's buzzing".

The School has long enjoyed and deserved a national reputation for the exceptional quality of education and care it provides. The school focuses on fostering the aptitudes and nurturing the growth of each child. St John's has been awarded national Best Prep School and national Best Prep School Head awards in the Tatler Schools Awards. It has recently been awarded the best Pre-Prep in the Independent Schools Awards 2024. Its teaching has been rated 'inspirational' by the Independent Schools Inspectorate and it is the first of the very few to have achieved the coveted 'exceptional' grade for children's attainment.

At St John's, we believe in a childhood filled with affection, in which children know that they are known and valued, in which they learn to trust themselves and each other, in which they find and express their voice, discover the difference they can make for themselves and others, learn to think for themselves, to question, to collaborate, to be independent, to own and take charge of their learning and their lives.

A curriculum that believes in children draws from them the highest and the deepest levels of attainment. Our children's achievement is described by inspectors as 'exceptional'. Though we are not selective in our Kindergarten, our children are on average at the 85th percentile on national tests of ability before they leave. Our exam results are outstanding and on average our 56 leavers gain around 26 scholarships to the strongest schools. Up to one-third of our past pupils in due course gain Oxbridge places each year, more than in the most academically selective of schools: our children continue to be exceptional learners.

Curiosity and Creativity

Our youngest children are full of questions, rich with curiosity. We work to preserve and strengthen their questioning and thinking skills. From the earliest age, we give them the essential tools, knowledge and understanding but we aim to give them more. Our Flexible Learning programme of developments incorporates child-led independent learning, creative and critical thinking, digitally enhanced learning, philosophy, emotions for learning, compassion and loving-kindness teaching, as well as outdoor learning which benefits from the recent addition of a landscaped forest garden. An Enrichment programme has been implemented with our 9 to 13 year olds every Thursday afternoon to explore projects such as our Sustainability developments, as well as cross-curricular work in computing, the arts, design technology, maths and science and to give space to My Mind (incorporating mindfulness, study skills, Tai Chi, PSHEE and philosophy as a foundation for the skills necessary for critical thinking, self-management of learning and management of self). The aim is to foster children's ability to possess their own learning, to engage their innate curiosity and creativity and to encourage them to connect with feeling to themselves and their world.

Our education is about the whole child. Our children become independent learners and creative thinkers prepared to question, with their curiosity very much alive. They get the best from themselves and achieve very highly within and beyond the classroom. We aim for our children to develop a real generosity of spirit, who will know and care about how to get the best for others, and who will do well when they are with us and when they are long beyond our shores.

Teaching Arrangements

The School aims for class sizes no greater than 20, although this may increase to no more than 22 in some year groups. They are co-educational throughout the School. In the two classes per year group in Kindergarten to Year 2, children are taught predominantly by their Form Teacher, assisted throughout by a Teaching Assistant, with Music, Drama and PE taught by subject specialists.

At the First Form (Year 3) stage, there is an intake of up to 16 more children and three classes are formed by combining the existing children with the new intake. The First and Second Form (Years 3 & 4) classes are taught by their Form Teacher for the core subjects. A degree of classroom assistance continues and extension and enrichment groups are formed on a flexible basis according to the children's needs. Subject specialist teaching is provided in varying degrees according to the particular interests and talents of the Form Teacher. Music, Art, Drama, Computing, DT, Science/STEM, French and PE may all be specialist taught in the First and Second Forms.

The pupils move to the Senior House site in the Third Form (Year 5), remaining within their previous class groupings. There is setting in Maths and English and enrichment groups are offered as appropriate, and Latin is introduced. A Tutor system operates, whereby a team of tutors, with a Pastoral Head of Year, is responsible for the pastoral care of the children. Each tutor has no more than 10 pupils in his or her care.

From the Fourth Form (Year 6), all subjects are specialist taught. For the final two years, setting is introduced in all examined subjects. Drama, Art, Computing, DT, Music and PE all retain their specialist taught status and timetabled status in a School which is committed to a broad and fulfilling curriculum.

Admission

Entry to the School at the 4+ stage is by registration and parental interview. There is no formal assessment of children at this stage other than to ensure that a child is ready for a School environment. Two-thirds of the School's intake is thus non-selective. At 7+, the intake is selective only in so far as we seek to ensure that a child will cope with the demands of our strong academic curriculum and, as such, seek to answer the question 'will this child be happy here?' Overall, then, the pupil population is of mixed ability though by the time the children leave the average attainment on standardised tests is around the 85th percentile nationally.

Destination Schools

Children leave us for a wide range of Schools at 13+, proceeding via Common Entrance, Scholarship or other examinations. Our leavers often gain between 20 and 30 scholarships each year.

Safeguarding

The School fully recognises its responsibilities to Safeguarding and Child Protection as set out in the Safeguarding and Child Protection Policy and Keeping Children Safe in Education (KCSIE).

Our approach to the care of our children aims to ensure that they will feel secure, and that they will be able to talk and to feel that they will be heard. The PSHE curriculum supports discussion of relationships, trust and personal space and whilst this formal curriculum is important, the culture of the School, the strength of the tutorial system and the positive relationships formed between children and teachers are key to our aim in strengthening not only our overall care, but also the likelihood both that our children may feel able to confide in us and that we will ourselves be aware of causes for concern.

We have three fully trained designated safeguarding leads led by the Designated Safeguarding and Prevent Lead who is also the Assistant Head Pastoral. All staff, including visiting instrumental teachers and individual needs teachers, catering and maintenance staff and administration staff and volunteers, receive training and this training is regularly updated for all staff.

‘Keeping Children Safe in Education’ requires all School staff to pass on information which gives rise to a concern about a child’s welfare, including risk from non-accidental injury, neglect, emotional or sexual abuse, to the Head and/or the designated safeguarding leads. The School will seek, as appropriate, to discuss any concerns with parents, and where possible seek their consent for any referral to the County Social Care Department. However, this can only be done where such discussion and agreement-seeking will not place the child at increased risk of significant harm.

The School ensures that the criminal background of applicants for vacant posts is checked in accordance with statutory guidance. In all such matters, the School is bound by and willingly complies with its legal obligations.

Introduction to the Safeguarding Policy

St John’s College School is committed to safeguarding and fully recognises the responsibility it has under section 157 of the Education Act 2002, (as amended), and the Education (Independent School Standards) Regulations 2014 to have arrangements in place to safeguard and promote the welfare of children.

Safeguarding and promoting the welfare of children is everyone’s responsibility. ‘Children’ includes everyone under the age of 18.

With regard to the provisions it makes for safeguarding and safer recruitment, the school takes into account the nature, age range and other significant features of the school including specifically, EYFS pupils, pupils who board, including choristers and those with special educational needs and disabilities.

This policy has been drawn up having regard to the following:

Keeping Children Safe in Education (KCSIE) 2025

What to do if you’re worried a child is being abused: Advice for practitioners

Working Together to Safeguard Children: A guide to inter-agency working to safeguard and promote the welfare of children (December 2023)

Information sharing (2018)

Prevent Duty Guidance: for England and Wales (March 2024)

When to call the police (non-statutory guidance from the National Police Chiefs’ Council)

In line with Keeping Children Safe in Education (Sept 2025), safeguarding and promoting the welfare of children is defined for the purposes of this policy as: “providing help and support to meet the needs of children as soon as problems emerge, protecting children from maltreatment, whether that is within or outside the home, including online; preventing the impairment of children’s mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.”

This responsibility is more fully explained in the statutory guidance for schools and colleges “Keeping Children Safe in Education” (KCSIE) (Sept 2025). All staff have read at least Part 1 and Annex B of this guidance and ‘What to do if you’re worried a child is being abused: Advice for practitioners” (March 2015) if they are working directly with children. For those staff who do not work directly with children or where English is a second language, Annex A will be issued.

All staff must sign to say they are aware and understand their duties and responsibilities under part one of KCSIE. Staff will be required to read every new edition of Keeping Children Safe in Education. The Designated Safeguarding Lead will ensure all staff are made aware of any changes or updates to the guidance. All staff will then be expected to read and sign to say they have read and understood the changes.

Through their day-to-day contact with pupils and direct work with families, all staff at the school have a crucial role to play in noticing indicators of possible abuse, neglect or exploitation and referring them to Children’s Social Care. If at any time there is a risk of immediate serious harm to a child, a referral should be made to children’s social care immediately. Anyone can make a referral. Parental consent is not needed to make a referral when there is an immediate risk of significant harm. The school is aware that if a crime may have been committed, the matter should be reported to the police immediately.

All staff have a responsibility to:

- Identify concerns early to prevent them from escalating;
- Provide a safe environment in which children can learn;
- Identify children who may benefit from early help;
- Know what to do if a child tells them he/she is being abused neglected or exploited;
- Follow the referral process if they have a concern.

This policy sets out how the school’s governing body discharges its statutory responsibilities relating to safeguarding and promoting the welfare of children who are pupils at the school and to ensure that the policy is fully implemented. Our policy applies to all staff, volunteers and contractors, paid and unpaid, working in the school including governors. Teaching assistants, catering staff, secretaries, administration staff as well as teachers can be the first point of disclosure for a child. Concerned parents/carers may also contact the school and its governors.

It is important to note that safeguarding is everyone’s responsibility and that anyone can make a referral to children’s social care if necessary. At all times staff should consider what is in the best interests of the child. If you make a referral please inform the Designated Safeguarding Lead as soon as possible.

There are four main elements to our policy:

PREVENTION through the teaching and pastoral support offered to pupils and the creation and maintenance of a whole school protective ethos

PROCEDURES for identifying and referring cases, or suspected cases, of abuse or exploitation. The definitions of the categories of abuse are attached (see Appendix A)

SUPPORTING CHILDREN particularly those who may have been abused or witnessed violence towards others;

PREVENTING UNSUITABLE PEOPLE WORKING WITH CHILDREN Processes are followed to ensure that those who are unsuitable to work with children are not employed.

The Senior House site itself has been completely redeveloped in recent years with bespoke classrooms, an outstanding library, a DT and computer control and graphics facility, two Science labs, a Drama studio, Music facilities, a multi-sports court, changing areas and excellent staff facilities. It also contains other specialist facilities such as the Chapel, Theatre and Gymnasium.

The whole School has been networked as part of an ICT development plan which has, for some years, placed St John's at the forefront in this area.

The Setting

The School is located in leafy Grange Road, a short walk from the centre of Cambridge and the College, at the heart of which sits the Chapel, home to the internationally renowned College Chapel Choir. The School site has undergone significant rebuilding or redevelopment in the last few years to ensure the facilities, layout and fabric of the buildings fully support the delivery of the School's ethos.

The School occupies two sites, Byron House and Senior House, some 200 yards apart, across Grange Road from the extensive playing fields owned by and shared with St John's College. At Byron House, the Junior Department houses about 120 pupils (about 40 per year in two co-educational classes) aged 4-6 and is also home to about 120 pupils (in three co-educational classes per year) in the 7-8 age range. The Senior House site houses boys and girls aged 9- 13 (approximately 230 pupils in all).

Byron House provides outstanding newly designed facilities for 4-9 year olds, including specialist Music, Art/DT, Computing facilities, a Junior Library, Drama/Assembly Room, a Hall/Stage/Dining Room/Gymnasium, Individual and Small Group Teaching rooms. The new Forest Garden has been planned around a new circular teaching space and the Kindergarten enjoys Forest School Fridays in this specially designed spacious outdoor area.

A self-contained Boarding House is a short walk away from Senior House and accommodates up to 40 boys and girls, twenty of whom are the Choristers.

Disclosure and Barring Service

Filtering rules for Criminal Record Check Certificates

In line with current legislation, the following filtering rules now apply to all Disclosure and Barring Service (DBS) checks:

For those aged 18 or over at the time of the offence:

An adult conviction will be removed from a DBS certificate if:

- 11 years have elapsed since the date of conviction; and
- It is the person’s only offence, and
- It did not result in a custodial sentence

Even then, it will only be removed if it does not appear on the list of offences which will never be removed from a certificate. If a person has more than one offence, then details of all their convictions will always be included.

An adult caution will be removed after 6 years have elapsed since the date of the caution – and if it does not appear on the list of offences relevant to safeguarding.

For those under 18 at the time of the offence:

The same rules apply as for adult convictions, except that the elapsed time period is 5.5 years.

The same rules apply as for adult cautions, except that the elapsed time period is 2 years.

Please note:

- The term ‘Caution’ includes reprimands and warnings.
- A conviction is a determination of guilt by a court in relation to a specific offence. Multiple offences, whether arising from different occasions or from a single event, and in relation to which a court on one or more occasions reaches a determination of guilt, are to be treated as multiple convictions for filtering purposes.

Policy on Recruitment of Ex-Offenders

As an organisation assessing applicants’ suitability for positions which are included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order using criminal record checks processed through the Disclosure and Barring Service (DBS), St John’s College School (SJCS) complies fully with the code of practice and undertakes to treat all applicants for positions fairly.

SJCS undertakes not to discriminate unfairly against any subject of a criminal record check on the basis of a conviction or other information revealed.

SJCS can only ask an individual to provide details of convictions and cautions that we are legally entitled to know about. Where a DBS certificate at either standard or enhanced level can legally be requested (where the position is one that is included in the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended, and where appropriate Police Act Regulations as amended).

SJCS can only ask an individual about convictions and cautions that are not protected.

SJCS is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.

This policy on the recruitment of ex-offenders is made available to all DBS applicants at the start of the recruitment process.

SJCS actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.

An application for a criminal record check is only submitted to DBS after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a criminal record check is identified as necessary, all application forms, job adverts and recruitment briefs will contain a statement that an application for a DBS certificate will be submitted in the event of the individual being offered the position.

SJCS ensures that all those in SJCS who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. SJCS also ensures that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

At interview, or in a separate discussion, SJCS ensures that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

SJCS undertakes to discuss any matter revealed on a DBS certificate with the individual seeking the position before withdrawing a conditional offer of employment.

Disclosure and Barring Service Checks – Policy on Information Handling

General principles

As an organisation using the Disclosure and Barring Service (DBS) checking service to help assess the suitability of applicants for positions of trust, St John’s College School complies fully with the code of practice regarding the correct handling, use, storage, retention and disposal of certificates and certificate information.

It also complies fully with its obligations under current Data Protection legislation and all other legislation pertaining to the safe handling, use, storage, retention and disposal of certificate information and has a written policy on these matters, which is available to those who wish to see it on request.

Storage and access

Certificate information is kept securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

Handling

In accordance with section 124 of the Police Act 1997, certificate information is only passed to those who are authorised to receive it in the course of their duties. We maintain a record of all those to whom certificates or certificate information has been revealed and it is a criminal offence to pass this information to anyone who is not entitled to receive it.

Usage

Certificate information is only used for the specific purpose for which it was requested and for which the applicant’s full consent has been given.

Retention

Once a recruitment (or other relevant) decision has been made, we do not keep certificate information for any longer than is necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints.

If, in very exceptional circumstances, it is considered necessary to keep certificate information for longer than six months, we will consult the DBS about this and will give full consideration to the Data Protection and Human Rights of the individual before doing so.

Throughout this time, the usual conditions regarding the safe storage and strictly controlled access will prevail.

Disposal

Once the retention period has elapsed, we will ensure that any DBS certificate information is immediately destroyed by secure means, for example by shredding, pulping or burning. While awaiting destruction, certificate information will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack).

We will not keep any photocopy or other image of the certificate or any copy or representation of the contents of a certificate. However, notwithstanding the above, we may keep a record of the date of issue of a certificate, the name of the subject, the type of certificate requested, the position for which the certificate was requested, the unique reference number of the certificates and the details of the recruitment decision taken.
