Media Teacher

WELCOME

FROM THE HEADTEACHER

Thank you for taking the time to find out more about working at North Bromsgrove High School. The school serves the Bromsgrove community and currently has 800 students on roll. It is fair to say that the school has faced significant challenge in the last few years and that the recent OFSTED grading (May 18) placed the school in 'Special Measures'. Following the inspection two interim headteachers were seconded into North Bromsgrove High School to support the future development of this vibrant community school moving forward.

We encourage you to read the OFSTED report which describes a school with failing leadership, poor outcomes and poor behaviour. Once you have read the report we recommend that you come and visit North Bromsgrove High School because what you will see will not match what you have read. North Bromsgrove High School achieved headline figures in line with national performance at KS4 and slightly below at KS5 in 2018. Our P8 score has moved from -0.64 to -0.22 during a very challenging year for staff and students.

When you visit North Bromsgrove High School you will find a community of positive students supported by hardworking teachers. You will find a place where the vast majority of students aspire to get the best from their GCSE and post 16 qualifications. You will also sense a desire to see things improve even further and we are working hard to ensure that next year's P8 score is positive. This will be much more likely to happen if we can recruit talented, hardworking, committed practitioners to all of our vacancies.

In joining North Bromsgrove High School you will find a place where talented teachers who go the extra mile for students can shine and develop as practitioners and leaders. Every member of staff here has the potential to be part of a transformation taking place where students' wider experience of school and their outcomes after exams will be excellent.

We hope you take the time to come and visit us and we also hope you see the potential for being part of something very special in the years to come. If you would like to arrange a visit please contact Mrs Lawton, Head of English on 01527 872375 or via email at jla@northbromsgrove.worcs.sch.uk.

OPPORTUNITY

Teacher of Media with English

Part time 0.8 wte - MPS/UPS

The Vacancy and the Curriculum Area

We are looking for enthusiastic and well-qualified colleagues to teach Media and Film Studies up to KS5 from September 2019. The second post requires the successful candidate to teach English up to at least KS4.

The Media Department is part of the English Faculty that comprises English, Film and Media with twelve qualified, passionate and enthusiastic members of staff. The Faculty Leader is supported by a Second in English to support the work of the team. A number of the Faculty are also members of the Senior Leadership Team. Media Studies is a popular option choice across all year groups, with growing numbers at KS5.

The department is located in a designated block and our classrooms are welcoming and well-equipped, including a state of the art Apple Mac suite.

We pride ourselves on working within a collaborative environment. Colleagues are encouraged to share ideas and work together to develop excellent resources and lessons. The needs of our students are at the heart of everything we do. We have worked hard to create an ethos where both staff and students feel supported and nurtured.
