Actual salary approx. £15,778

We are seeking to appoint a graduate to join our team of dedicated, passionate staff to work as a Pupil Premium Intervention Tutor.

This is an excellent opportunity for graduates who want to secure excellent secondary school based experience, working with students aged 11 – 16 of mixed abilities on a one to one basis and in small groups.

In your role as successful Literacy and Reading Intervention tutor, you will be supporting students on a small group basis usually consisting of no more than six students. The appointed Intervention tutor will be supporting KS3 and KS4 disadvantaged pupils (i.e. pupils in receipt of pupil premium funding) who require additional learning support to help them increase rates of progress and close the current attainment gap.

In return, we offer development opportunities to all our staff, plus a supportive and friendly environment.

The successful applicant will be required to work as part of a dedicated team of staff and relate to a wide range of staff and students within the school.
