Headteacher

Michael Faraday Primary School is a popular, over-subscribed, two-form entry Community School situated in an award-winning building on the Aylesbury Estate in the heart of Walworth, SE17. Pupils come from diverse and sometimes challenging backgrounds and we nurture them to be confident young people with a well-developed sense of social responsibility.

Our wonderful children are bursting with curiosity and creativity. On their journey through the school we work to develop compassion and emotional intelligence as well as academic attainment, and to enable all children to achieve their personal best in all areas of school life. Fostering an environment in which children feel safe, cared for and respected underpins this success.

We are proud of our extraordinarily talented and committed staff and believe

that their professional development and continued well-being are paramount. Our Leadership structure and belief in giving responsibility to individuals creates a strong and supportive environment within which individuals can flourish and grow.

The Governors of Michael Faraday Primary School are looking to appoint a motivated and inspirational headteacher with proven leadership experience. In a fast-changing environment locally, nationally and globally, our new Headteacher will need to be innovative and adaptable. Creating and steering a vision for the next decade will be an exciting challenge and the successful candidate will need to be a brilliant communicator – visible and approachable, flexible and persuasive, gritty and determined.
