### THE SCHOOL

The Royal Hospital School (RHS) is an HMC co-educational boarding and day school for approximately 750 pupils aged 11-18. The School occupies a magnificent 200 acre site in the Suffolk countryside just south of Ipswich.

The School selects pupils from a reasonably broad ability range and for this reason we focus on achieving a positive value added for all our pupils. Applications for places at RHS are extremely healthy and this year our pupil numbers are the highest on record.

The Royal Hospital School aims to provide academic excellence with an outstanding range of cultural and sporting opportunities. This is strongly backed up by first-class pastoral care and a commitment to leadership, service and spiritual awareness. We have an outstanding campus which provides a safe and secure environment. We have a talented and dedicated staff who believe in maximising each child's potential, fuelling their aspirations, firing their imagination and encouraging independence of thought. We seek to provide pupils with the skills and confidence to navigate their own lives and to think about where they will be at 25.

This summer the School undertook the development of the internal sporting facilities including a new strength and conditioning room, a fitness suite, dance and martial arts studio and the addition of a climbing wall in a refurbished sports hall. Further development of the School estate and the provision of top quality facilities for the education of

our pupils remains a priority. The School has embarked upon a rolling programme of classroom refurbishment and, thanks to the generosity of our trustees, Greenwich Hospital, a £400,000 Wi-Fi programme has facilitated wireless internet access across the whole school campus since 2013. All members of the teaching staff and all pupils have iPads as part of the School's mobile learning initiative.
