## THE SCHOOL

Lambrook is a leading Independent day and flexi-boarding Preparatory School for 560 boys and girls aged between 3 and 13. Lambrook offers excellence in Independent education and attracts, develops and inspires some of the country's best teaching talent.

The School comprises of two sections: the Pre Prep, for pupils in the Early Years Foundation Stage and Years 1 and 2, and the Prep for pupils in Years 3-8. Boarding is accommodated in two houses and flexible boarding is encouraged, with over 200 pupils making use of this provision.

## PROVEN TRACK RECORD

Lambrook has been rated 'excellent' in every area following our ISI Inspection; which included the quality of teaching, pupils' achievements, opportunities in sport, music, Performing Arts and extra-curricular activities, as well as boarding provision and pastoral care.

Lambrook has an outstanding track record in preparing its pupils for the top senior schools in the country.

## A DISTINCTIVE APPROACH

The school is a forward-thinking yet traditional school with a strong family ethos. Founded in 1860, the school has a rich history of success and is proud of its reputation as one of the leading prep schools in the country. Lambrook offers some of the best facilities in the independent sector at Preparatory level. The School has recently completed a £6m new development which provides pupils with a remarkable environment in which to unleash their talents in Art, Design & Technology and the Performing Arts, as well upgrades across many other areas including classrooms, IT provision and sports amenities. This development compliments the School's other recent projects which include a Diamond Jubilee Performing Arts Centre and a 25 metre indoor swimming pool.

## THE FUTURE

Such improvements have had a transformational effect upon the Lambrook community, not only in terms of our facilities, but more importantly in the quality of the education that we are able to provide for all of our pupils. The earlier years are the most formative; through nurturing potential

and providing these opportunities, we work with pupils to build their own foundation, so that they are able to progress and then flourish both at senior school and in their lives ahead. We are committed to continue to do this through the development of our School campus and also through the provision of bursaries, for those who would truly benefit.
