Further Education is an ever-changing service and all staff are expected to participate constructively in College activities and to adopt a flexible approach to their work.

This job description will be reviewed annually during the performance review process, and will be varied in the light of the business needs of the College.

The job description sets out the main duties of the post at the date when it was drawn up. Such duties may vary from time to time without changing the general character of the post or the level of responsibility entailed. Such variations are a common occurrence and cannot of themselves justify a reconsideration of the grading of the post.

As users of the disability confident scheme, we guarantee to interview all disabled applicants who meet the minimum criteria for all advertised vacancies.

Where an employee or candidate indicates a disability, every effort will be made to supply all necessary aids, adaptations or equipment to allow them to carry out all of the duties of the post. If, however, a certain task proves to be unachievable, job redesign will be given full consideration.
