"WHERE WE CAN ALL BE THE BEST VERSION OF OURSELVES"

About St George's Weybridge

St George's Weybridge is a leading independent co-educational Catholic day school in Surrey for girls and boys aged 2-18.

Founded in 1869, with its distinctive Josephite ethos, St George's Weybridge has become the largest independent Catholic school in the country. Academically autonomous, the Junior School and College work together as one school, educating over 1,600 students across the two school sites. Both Schools had full ISI inspections under the new framework in March 2024, and were rated fully compliant in all areas.

St George's Weybridge is proudly and unequivocally a 2-18 co-educational school where children can learn and grow into kind, considerate adults who make a positive contribution to society. There is a perfect balance between the Junior School and the College, between academia, creativity and sport. Together with our Josephite ethos, these are what make St George's unique – and what makes the children who leave us exceptional.

The distinctive ethos upheld by St George's encourages a strong sense of family where all students are valued and encouraged to fulfil their potential in an atmosphere of mutual respect and compassion. This atmosphere is extended to all families, our alumni (Old Georgians), staff, the local community and the wider world.

St George's Weybridge welcomes students from all faiths and none, whilst maintaining our strong Catholic identity. It is our wish that during their time at St George's, our boys and girls will grow up within a community where Christian beliefs and principles are a guide for all that we do. This is evident in the liturgical life of our Schools and in the many ways we have of reaching out beyond our community. Thank you for your interest in joining the staff at St George's Weybridge. We are delighted that you are considering working at our School.
