SEND TEACHER
RISE@GHC (specialist resource provision at Garth Hill College)
TEACHER PAY SCALE (FRINGE) PLUS £3,274 SEND ALLOWANCE
FULL TIME / PERMANENT
REQUIRED FOR SEPTEMBER 2025

Thank you very much for your interest in this position and Garth Hill College. We would like to appoint a dedicated, enthusiastic and committed individual to the permanent post of SEND teacher to start in September 2025. The ability to teach Maths at GCSE is highly desirable, but above all we are looking for a talented educator with a big heart who shares our commitment to excellence and achieving the very best for all our pupils.

NAS autism accreditation was awarded in 2024, in addition to achieving the silver award for school of the year in the Pride of Bracknell awards.

We are looking for someone who has the desire and ability to:

- Teach Maths at GCSE ideally.
- Help our pupils to progress well, achieve and enjoy their learning
- Work in partnership with others including parents/carers and multi-agency teams
- Create innovative curriculum and teaching plans
- Deliver challenging and exciting learning
- Contribute positively to the work of the team and the development of Rise@GHC

Rise@GHC is a specialist resource provision for learners with Autistic Spectrum Conditions and other related special educational needs living in Bracknell Forest and other local authorities. Rise@GHC opened in September 2015, and was awarded NAS autism accreditation in 2024. There are currently 49 pupils on roll in years 7 -11. Our aim is to provide the specialist and personalised learning, care and support that will enable our pupils to go on to achieve educational and personal success, and progress well to the next stage of their lives; to further education, the workplace or to commence work based training or apprenticeships. The centre is part of Garth Hill College but operates in dedicated buildings within a short walk/drive from our main site. Pupils who attend Rise@GHC belong to the Garth Hill College community, wear the same uniform and benefit from access to facilities at the main site as appropriate.

Our last Ofsted inspection in October 2024 was very positive and confirmed that College had taken effective action to maintain the standards identified at the previous inspection (the last full inspection was in May 2019 when we were judged a 'good' school and all areas were rated 'good'). The report highlighted several key strengths including:

Pupils enjoy coming to this inclusive, friendly school. They foster strong relationships with staff and with one another.

Pupils' well-being is a priority. The highly effective pastoral system supports pupils' well-being and mental health.

Pupils benefit from the wide range of worthwhile educational experiences on offer.

The wider personal development of pupils is a strength. The school has put in place a carefully considered programme that runs through the whole school.

The school prepares pupils effectively for their next steps.

The inspectors were also positive about the provision made for our SEND pupils. The report stated that staff understand how to adapt their lessons or resources to help pupils with SEND learn well.

The full report can be read at <https://reports.ofsted.gov.uk/provider/23/110069>.

We are excited and confident about the future as we continue our journey to excellence. Our CPD programme is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development.

Furthermore, behaviour and inclusion support for pupils is exceptional. There is a very clear and established behaviour management system with 'send out'. The Behaviour Support Team helps staff and pupils to help resolve any issues that occur and work to ensure that pupils behave impeccably (one of our 'Seven Habits' for pupils). Centralised detentions help to reduce teacher workload.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils and we are committed to providing excellent service and care to them and their families. We also work in a great learning environment with superb facilities.

If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.

Please do feel free to come and visit us too or pick up the phone.
