#### **Who are we?**

##### **Wycombe Abbey International Schools Group**

Wycombe Abbey School in the UK was founded in 1896 and is renowned for its academic excellence and the nurturing and development of the whole child. In 2015, BE Education partnered with WAS to establish its first international school in Changzhou. WASCZ is now highly successful and has gained outstanding academic credentials and an enviable regional reputation in the performing arts, creative arts and sports. The education at WASCZ is truly holistic and is founded upon the strengths of the full-boarding model.

Wycombe Abbey Schools added another school to the Group with the opening of Wycombe Abbey School Hong Kong in September 2019 and bilingual schools in Hangzhou and Nanjing in September 2021.

Each of the Wycombe Abbey Schools within the International Group exists as an institution, independently led and governed. However, each school benefits from the strength of the overall Group with synergies across the Group in areas such as teaching and learning, professional development, curriculum design and technology. These synergies, together with further benefits of being part of the larger BE Education Group provide excellent opportunities for career development and progression for all staff members. For further information about these exciting schools and the overall company, please refer to: <http://www.waisgc.com/en>.

#### **Individual Campus Introductions:**

##### **WASCZ campus**

Wycombe Abbey School Changzhou is located on the banks of the beautiful West Taihu Lake, covering an area of 24.7 acres. It was opened in September 2016. The school upholds the philosophy of holistic education. While pursuing academic excellence, it also attaches great attention to the cultivation and all-around development of students' personalities and wider abilities.

Over the last seven years, graduates from WASCZ have been successfully admitted to prestigious universities in the United Kingdom, the United States, Australia and Canada with a 100% pass rate and 50% A\* and A grades at A Level. Over 70% of graduates are admitted to the Russell Group institutions in the UK, including the University of Cambridge, Imperial College London, University College London, the London School of Economics and other world-class institutions. The results in art and design have also been outstanding. Graduates have won admissions and high-value scholarships from Parsons School of Design, the Pratt Institute of Art and the Art Institute of Chicago. Each year students successfully completed auditions and joined the top music conservatories in Europe. Whether the path chosen by students is mainstream or niche, we provide the necessary resources to ensure that they all achieve their best.

### **WASNJ campus**

Wycombe Abbey School Nanjing is located in Tangshan, Jiangning District, Nanjing, an area of natural beauty with hot springs. The school has a building area of 112,250 square meters and can accommodate more than 2,000 students. The school has adopted a policy of small class sizes to ensure that every student can benefit from the personal attention of their teachers.

Wycombe Abbey School Nanjing has adopted the concept of holistic education into every aspect of the school programme, and is committed to developing students who are firmly rooted in Chinese culture but who can also adopt good learning practices from around the world. At this school, students can not only develop excellent academic ability but also develop their all-round moral character, artistic accomplishments and sporting potential so as to become truly outstanding global citizens. Key strengths at WASNJ are the Performing Arts, Engineering Design and Technology.

Wycombe Abbey School Nanjing offers children a 15-year through-train education from kindergarten to high school and provides boarding options for children over 6 years old. The school opened in September 2021.

### **WAZHZ campus**

Wycombe Abbey School Hangzhou covers an area of 38 acres. It is in the south of Xiao Shan District, adjacent to the Volcanic Marble Scenic Area, and the Fairy Lake to the south, nearby a national hiking trail, and enjoys the beauty of natural scenery. The geographical advantage of the school makes the architectural design and the natural environment integrated. Wycombe Abbey School Hangzhou integrates the essence of Chinese and Western education. It interprets the traditional architectural language of British boarding schools in modernism, but also draws on the tones and decorations of Chinese Jiangnan Garden as a landscape strategy.

Wycombe Abbey School Hangzhou is a modern, high-end, private boarding school for students aged 3-18, where we complement the Chinese National Curriculum with the very best internationalized curriculum using western teaching methods and focusing on each student's individual growth and development.

At Wycombe Abbey School Hangzhou, our holistic curriculum runs in parallel with our unique pastoral care system and a total commitment to students achieving academic excellence. This is how we develop the leaders of tomorrow.

At Wycombe Abbey School Hangzhou, we stimulate intellectual curiosity and cherish unique ideas, creativity, resilience, and teamwork.
