

BRENTSIDE HIGH SCHOOL

LEARNING AND ACHIEVING TOGETHER

**Data Analyst and Exams Officer
Recruitment Pack**

Message from the Headteacher

Dear Prospective Candidate,

I am delighted that you have shown an interest in the post of Data Analyst and Exams Officer at Brentside High School and I hope that the information in this pack will encourage you to apply for the position. We seek to appoint a Data Analyst and Exams Officer who will contribute strongly to the provision for our young people; this is an exciting and rewarding opportunity for the successful applicant.

Our school's journey has been one of significant improvement, supported by stable leadership. It is my privilege and my responsibility to lead the school as Headteacher, working with a staff team who are totally committed to making a real difference to the life chances of our students. Our school has changed from one that was undersubscribed, with below average achievement, housed in poor quality buildings, to the strong school we see today, with achievement over time significantly above that of students nationally at both Key Stages Four and Five and now housed in our impressive main school building with an additional, same-site building added in recent years to meet the demand for places. Whilst student results remain above national average, our challenge is to build back post covid to be significantly above again. Our students and staff deserve the best and I look forward to working in partnership with the successful candidate alongside the rest of our team to support the next stages in our school's development.

I believe that our school is unique and that our diversity of experience, belief and culture enriches our classrooms, which are vibrant and responsive. We know that as a school we change lives, and we have a staff body who are committed to taking every opportunity to make that difference. We work hard to remove students' barriers to learning and benefit from a wide range of partnerships beyond the school. Our support for students goes beyond the academic but can also be seen through our students' achievement.

We believe that our students have the right to a rich, broad and balanced curriculum. 75%-95% of our students study an EBacc curriculum at Key Stage Four. All students also select an art (visual or performance) at GCSE. This reflects the high value we place on the arts and on other high-quality qualifications such as humanities and modern foreign languages. We also prioritise Religious Studies and Citizenship, supporting our diverse community to understand its rights and responsibilities and to contribute positively to our immediate and wider society. All staff members support student wellbeing and progress and this role supports both aspects, enabling individuals to make better progress in a calm environment and ensuring that learning is not disrupted. The successful candidate can be assured of significant support from the team and the wider staff body. We have a stable, experienced and skilled staff team.

If you would like to speak with a member of our staff team or to visit the school prior to application, please contact Tara Roach, on t.roach@brentsidehigh.ealing.sch.uk. Completed applications should be received by **12:00 noon Monday, 11 November 2024**.

Yours faithfully

Charlotte Hames
Headteacher

Our school

OUR MISSION

Brentside High School challenges all to achieve excellence as lifelong learners with the highest expectations of themselves and others. No exceptions, no excuses.

“Brentside High School lives up to its vision of high expectations for all with ‘no exceptions no excuses.’ Equality of opportunity sits at the heart of that ambition and is demonstrated through progress made by all groups of students.”
(Ofsted February 2020)

The school and its community

Brentside High School is a large 11-19 mixed comprehensive school serving a culturally and socially diverse community in Ealing. The school is popular and successfully serves the needs of our local community. Our students are complimentary about the school and also proud to be part of our learning community. There are currently just over 1600 students and 160 staff.

Our student population is very diverse and representative of the local community, as is our staff body.

There is no majority ethnic group and between us we speak 67 languages. The diversity of our students is a real strength of the school. The student population is fully comprehensive and nearly 40% of students qualify for pupil premium funding.

Brentside is currently rated by Ofsted as a ‘Good’ school. We engage in a range of partnerships including supporting other schools. Being outward looking is important to us, as we firmly believe

that by working in collaboration with other schools and institutions, the experience that we offer to our students is greatly enhanced. On entry into Year 7 the ability profile of most cohorts is in line with national norms. However, the progress made by our students at both Key Stage 4 and Key Stage 5 is significantly above average. This occurs because of the positive ‘attitude to learning’ displayed by our students and our staff.

LEARNING AND ACHIEVING TOGETHER

Our school motto ‘Learning and Achieving Together’ underpins everything we do in school from ensuring that all our students are encouraged to achieve their full potential, in and out of the classroom, to the continuing professional development of our highly qualified staff.

Our students are proud of their school and are happy, positive and friendly young people that we are proud to serve. We instil into them the realisation that the route to a happy, fulfilling and successful life is through high quality education.

Curriculum

All learners have access to a broad and balanced curriculum, rich in depth and supportive of individual students' needs and aspirations. We believe in social equality and see a breadth of knowledge and skills as key to enabling our students to be confident, informed and capable.

We are ambitious for our students and believe that all should have access to high quality qualifications and to creativity; we pride ourselves on the breadth of our arts provision and also on our EBacc curriculum, enabling all students to study a broad, quality curriculum throughout Key Stage 3 and Key Stage 4, before specialising at Key Stage 5.

Between 75% and 95% of our students study the full EBacc curriculum, with between 5% and 25% of our students studying additional literacy and numeracy or specific subject development lessons.

Sixth form

The school has an active and vibrant Sixth Form offering a wide range of courses to students between the ages of 16 and 19.

The majority of students work towards level 3 (Advanced level) qualifications which will allow them to progress to university. These are A level, CTEC or BTEC certificates and diplomas. In addition, level 3 students study citizenship, PSHE and PE as part of their enrichment curriculum and can study for the extended project qualification (EPQ) as an additional AS qualification.
