

Dear Candidate,

Thank you for expressing an interest in the post of Head of ICT Support (ICT Network and Development Manager) at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a World Class School and leading member of the Hackney Teaching Schools Alliance (HTSA).

The ICT support team consists of 3 staff members – 2 technicians and a Head of ICT Support (ICT Network and Development Manager) who we are seeking to appoint. The ICT support team is an innovative department which maintains the Academy's VMware infrastructure including physical and wireless networks and server infrastructure. This is in addition to backup and communication systems. The ICT support team is also responsible for managing software deployments and providing support to school management systems. The team regularly engage and seek feedback from staff at all levels of the organisation to improve the ICT support end user experience.

We are proud of our stance as an anti-racist school and recognise the importance of having a staff body that reflect Hackney's rich and diverse community. If you have the experience and passion to be an inspirational role model for the next generation of female leaders, then we want to see how we can support you in that pursuit. We particularly welcome applications from people from groups who are under- represented amongst senior teaching staff. We want the best staff, and we know that means a diverse staff.

If you feel that you can make a positive contribution to supporting students at Clapton Girls' Academy, please apply via our website, <http://www.clapton.hackney.sch.uk/current-vacancies/support-vacancies/>

If you have any questions, please do not hesitate to contact me. I look forward to reading your application.

Yours faithfully,

Anna Feltham
