MAKE THE MOVE TO TEACH IN AUSTRALIA

Are you an experienced secondary school teacher in the UK or an Australian expat educator? Pymble Ladies' College, Australia's leading independent girls' school, is hosting two special cocktail and careers information evenings in London and Dublin.

We invite you to join us to learn more about our inclusive and caring community, and our passion for excellence in education.

Hear from our principal, Dr Kate Hadwen, and other key staff members about what makes *Pymble* an incredible place to work. Come along and learn for yourself why you should consider making the move to Sydney, Australia.
