Subject Leader (full time)
or Teacher of
Business Studies and Economics
(full time or part time)**

**Main Scale or Upper Pay Scale
(plus TLR 2b, currently £4,530 per annum,
for the Subject Leader role)**

School, Vision and Ethos

Wycombe High School is a girls' selective state academy school with 1304 students on roll, of whom around 400 are in the Sixth Form. Each year 192 girls are admitted into Year 7. All students are assigned to a vertical tutor group consisting of about 21 students; usually three students from each year group. There are six houses with 10 tutor groups in each house. Our school is part of the Wycombe High School Academies Trust; a Trust consisting of Wycombe High School.

The school has educated girls of High Wycombe for over a hundred years and is very highly regarded in the local and wider community. There is a strong and shared sense of community and collective pride, built on core values. Parental support is strong. We have excellent links with other local schools, colleges and universities. We have a knowledgeable and supportive Governing Body fully involved with all aspects of school life, and an enthusiastic and active Parents and Friends Association.

Our staff are professional, forward-looking and committed to extending the horizons of our students, encouraging them to aim high, to take on leadership roles and to become independent learners. We have an ambitious development plan, with a focus on improving the quality of teaching and learning, both within and beyond the classroom.

We are a National Support School, a Teaching School and one of 35 Mathematics Hubs nationally. We are delighted to have been recently designated as a National Mathematics and Physics SCITT in 2017 and have strong community partnerships. We have invested substantially in IT systems and training. We also have an outstanding reputation for the performing and visual arts. Numerous educational visits take place each year and for every age group, at home and abroad.

Our school motto summarises our ethos and sense of community. All those who study, work at, or send their children to our school are part of this community and are role models for our ethos.

**Fortiter, Fideliter, Feliciter
(Courageously, Faithfully, Joyfully)**

Courageously

Each student is encouraged to embrace our core values of honesty, respect and hard work. She is encouraged to speak out against injustice, supported to take risks, and is not afraid of failure. She learns new subjects and skills. She pushes herself to her personal limits and beyond. She is encouraged to listen to the opinions of others, as well as to voice her own. She accepts responsibility for herself and other students. She leads the school in partnership with staff and the governing body. She is independent and innovative in thought and action.

Faithfully

Every student is expected to uphold our school rules and traditions. She acts with integrity and is truthful and honest in all she does. She keeps promises and is reliable. She works hard to achieve her full potential. Above all she is a good friend, a good neighbour and a good citizen. She contributes positively to school life and society.

Joyfully

All our students contribute to making our school the happy and joyful place it is. Each student demonstrates mutual respect and empathy for all and is proud of her own achievements and those of others. She shows commitment to a fair and peaceful community and embraces diversity. Our students are happy and positive in approach, and support others to be the same.

What Makes Our School Unique

All our students are high-achieving; almost all move on to their first choice degree courses or high level apprenticeships at the UK's best universities of employers. Some study indeed internationally.

Whilst there are always differences in results year to year, in 2017 we are once again one of the top performing schools nationally.

About half our students come from the town of High Wycombe, a diverse community which is reflected in our intake. 42% of students are from ethnic heritage backgrounds. Buckinghamshire is a selective authority, and our students represent approximately the top third of the ability range as measured by the selection process.

Well-motivated, confident and enthusiastic, our students are a delight to teach. They need little encouragement to take part in a very wide range of extra-curricular activities, including the arts, sports, community service and enterprise. The atmosphere within the school is purposeful and lively. Enjoyment is clearly evident. Our students work in partnership with staff to continually improve our learning environment and experience. They willingly embrace the many leadership opportunities available and take an obvious pride in their school and each other.

You can find further information about the school on our website at www.whs.bucks.sch.uk and you are welcome to visit us.

Student testimonials:

'It's a very friendly environment, I love the community feel, love the café'

'Pastoral care!!!! Please keep being so accessible to people not feeling 100%, it helped so much!'

'Subject knowledge of teachers is outstanding, and they willingly give their free time to support learning, e.g. 'drop in' sessions'

'There is extensive use of exam materials within lessons, and good quality of feedback from teachers - which ensures that pupils are aware of how to achieve their targets.'

'As students, we have a profound appreciation of the way in which diversity is respected, valued and developed.'

"Wycombe High School is an outstanding school that is held in high regard by all its stakeholders. There is a spirit of cooperation and harmony with warm and trusting relationships between staff and students. There is a very clear vision for the school as a learning school. It is pupil centred and based on high expectations, inclusion, strong moral values and embraces the challenges of a changing society".

Exceptional Schools Award 2014

Our Staff and Their Development Opportunities

Professional Learning Pathways (PLPs)

Wycombe High School is committed to excellence in teaching. It aims to recruit and retain the highest calibre teachers and leaders and as such offers Professional Learning Pathways (PLPs) that form the basis of an individual's professional development whilst with us. There is a PLP for every stage (current or aspirant stage) of a teacher's career and professional abilities. The best CPD is recognised as professional experience that prepares an individual for the next stage of his/her career. Professional development is not a passive experience and requires the individual to actively accept opportunities for professional learning.

Professional Learning Entitlement

Deciding on an appropriate PLP for an individual teacher will be dependent on her/his aptitude, experience and impact as a professional. It may be, for example, that a teacher on Point 4 of the Teachers' Main Scale may be following the PLP for a more experienced teacher / leader because of his / her accelerated career and excellence. PLPs are 'entitlements'; however, we do expect teachers joining Wycombe High School to be committed to on-going professional learning and embrace the opportunities on offer. PLPs will support teachers in providing the evidence required for pay progression. Annual appraisals provide the framework for discussing appropriate pathways and experiences.

Research and Development

At the core of excellent teaching, leadership and student outcomes are evidence-based developments in pedagogy and practice. Every PLP includes opportunities for observing and/or developing best practice. Wycombe High School and its teachers are committed to sharing this best practice formally and informally. R & D is recognised as a key part of on-going professional development and professional learning.

Masters Accreditation

Action research can be accredited via a recognised Masters programme. WHS currently works with UCL Institute of Education and Edge Hill. Every teacher is entitled to subsidised masters funding at WHS. The first 90 module credits will be funded by WHS. Thereafter a

Masters dissertation and completion of a full Masters programme will be only be fully funded by WHS if the teacher remains in employment within Wycombe High Schools Academy Trust for a further 3 years post masters qualification. A contractual agreement is required on commencement of the Masters programme. Repayment will be required for those leaving outside of this timeframe. Should a teacher join us already with Master credits, the same funding rules apply. WHS is currently agreeing PhD routes for Masters qualified colleagues. Again contractual retention / financing rules apply. For any teacher joining us with a Masters already completed, there is potential for a funded PhD. Paid time off for studying is not supported. The individual must be secure enough in their existing post to find the capacity to manage extra Masters or PhD study on top of their employment. For staff who have currently embarked on a Masters programme at WHS, the above criteria will apply from September 2016.

Professional Learning Coach

Every new member of teaching staff is allocated a Professional Learning Coach with whom he/she will be entitled to meet up to a maximum of twice per year. This is not part of any performance management system, but provides an opportunity for teachers to discuss their personal professional development and career ambitions.

Staff Wellbeing

Our staff are very important to us and Wycombe High School ensures employee wellbeing is high on our agenda. We have weekly staff wellbeing briefings, a host of subsidised activities for staff such as yoga and pilates, a bi-termly People Matters magazine highlighting and promoting staff achievements and celebrating all that we do well. We also have two staff mental health first aiders to provide support and guidance when needed, in line with our Wellbeing Policy.

Business Studies/Economics at Wycombe High School

Business Studies and Economics at Wycombe High School

Economics and Business Studies A Levels are popular options in our Sixth Form. Examination results are excellent, well above national averages and well in line with school achievement and our reputation for academic excellence. In 2018, 68% of all Business Studies A Level grades were A*/B. In Economics 46% of all A Level grades were A*-B. Business Studies is also offered as a GCSE option, and in 2018, 73% of GCSE Business Studies grades were 9-7. There is a good take up of both subjects at A Level and Business Studies at GCSE.

Our students are fully involved in lessons, make rapid progress and show flair and confidence. We provide a number of opportunities for students to further their learning outside the classroom. We run educational visits into industry and invite in visiting speakers. The department also supports National Enterprise Week with a variety of activities for tutor groups, and hosts internal enterprise competitions. We also support a large number of students who choose to complete Economics and Business-related EPQs. In addition, our A Level students run an Economics Society for gifted and talented students, in which they hold debates and

discussions on current economic policies and new stories.

Our students also have the opportunity to take part in local and national competitions:

The Bank of England / Times Target 2.0 Interest Rate Challenge - last year's team won their regional heat and progressed to the area finals, which is an excellent achievement

Young Enterprise - we have had great success winning a variety of awards at area and county level.

The Team

The successful applicant will be joining a team with two other members, who have a strong, shared commitment to supporting each other and to continuous improvement. Course planning is thorough, with schemes of work regularly revised. Team members contribute to developing new, exciting and stimulating resources to keep up to date with current business practice and subject developments.

If you would like to find out more about this position or the Economics and Business Department, we would be delighted to answer any questions that you might have. Visits prior to interview are welcomed.

The Role

We are seeking to appoint a dynamic and committed teacher to join our highly motivated and successful Business Studies and Economics team. They should be an outstanding classroom teacher, or an NQT with the potential to be outstanding.

The successful candidate must be able to teach Business Studies and/or Economics at GCSE and A Level. They should have strong interpersonal and communications skills.

The successful candidate will be resilient and enjoy working in a lively environment. They will be keen to contribute to the excellent resource bank we have, take part in the organisation and running of extra-curricular activities and of educational visits.

In return we offer the opportunity to work in a friendly, vibrant, successful and forward-thinking Department.

Students' views of Business Studies and Economics at Wycombe High School:

'Business Studies teaches individuals about how businesses overcome problems in the path to success. It is great because it helps us to understand what is going on in businesses in current situations such as Brexit'

'I enjoy staying up-to-date with the running of the economy and the world around us. I like to know how and why some businesses are running successfully and others are not! I find it interesting to relate my everyday situations to the successes and failures of business processes'

'Business Studies has helped me decide which area of business I enjoy and therefore what career I would like to get into'

'The theories that we look at are interesting and topical too. I enjoy the wide variance of topics that we study concerning external environments and business examples that relate to this directly'

'I enjoy Business Studies because it involves real life and allows me to learn more about the real business world rather than just theoretically'

'My studies allow me to understand business processes which occur in real life every day, particularly when businesses are in the news'

'I like taking Business Studies and Economics because I find that the content is very relatable and applicable to real life scenarios. Not only in school, but also out of school at home and at work. For example, budgeting my money and understanding the different approaches of different managers'

The Person

We are looking for the right person to fill this vacancy; you are looking for the right school to work in. We hope that this booklet and the school prospectus give you a flavour of Wycombe High School. To help you in your application we show below the characteristics that we are looking for when reading the applications and at the interview.

- | | |
|--|---|
| • Good honours degree in a relevant subject area | • Able to work in a fast-paced and ambitious environment |
| • Qualified Teacher Status | • Confident user of ICT to enhance teaching and learning |
| • Very good practitioner – consistently rated as good and often outstanding in the classroom (or in the case of an NQT very much on the way to this) | • Recent relevant professional development |
| • Excellent subject knowledge | • Evidence of good relationships with young people and adults |
| • Familiar with current subject developments | • Excellent communication skills |
| • Keen to be involved in curriculum development | • Able to work calmly and effectively under pressure |
| • Committed to the ethos of Wycombe High School | • A shared approach to problem-solving and achieving goals |
| • Ambitious for self, department and students | • Ability to analyse data effectively |
| • An ability to enthuse colleagues and students | • Strong organisational, personal time-management and planning skills |

History & Governance

Wycombe High School was first opened in September 1901 when there were only 18 fee paying students and 3 staff. Miss Mary Christie M.A. was the first headmistress. The School was first housed in a building known today as Clock House in Frogmoor, High Wycombe. The building still stands today.

The school moved to Benjamin Road in 1906 where it remained for 50 years, except for a time during the First World War when it was evacuated to the old grammar school so that Benjamin Road buildings could be used as a military hospital.

By 1922 the school had 300 pupils and was rapidly expanding. The school acquired its status as a Voluntary Controlled Girl's Grammar School in 1944. By 1956 the number of girls wishing to attend the school was so great that the school moved again to new premises that were built at the present site on Marlow Hill. In 1969 a dedicated Sixth Form Centre was built.

In 1993, new buildings were added to allow for the extra 300 pupils and staff that arrived when Lady Verney High School joined with Wycombe High in 1993, with new Technology, Sport and Drama blocks. In 2006 the Wainwright Learning Centre opened. This houses our well resourced library, conference facilities, the school archive and an Internet café.

Our new Music Centre contains a large performing and rehearsal space, as well as 14 practice rooms and a technology and recording studio. This building will act as the catalyst for further facilities work. With 1304 students to house our site continues to evolve.

Wycombe High School's Governing Body consists of 14 governors and the Headteacher. Two sub-committees deal with the core strategic business of the school: Facilities, Finance and Personnel; and Community, Learning and Teaching.

In 2012 Ofsted stated "The Governing Body works strategically and highly effectively to support and challenge the school."

Governors share collective responsibility for the effective governance and development of Wycombe High School, setting our strategic direction and major policies in accordance with the Group's mission, vision and values.

Governors also liaise with subject teams to triangulate information shared and contribute to the recruitment process of the school.

"This is an outstanding school... the Sixth Form is outstanding... the quality of teaching is outstanding. (Teachers) are highly effective in meeting the needs of learners and promoting rapid and sustained progress. (They) use their expertise and excellent subject knowledge to plan lessons and engage students".

Ofsted, June 2012

The leadership and management of leaders across the school and the governing body are outstanding. There is clearly communicated ambition for all students to reach the very highest standards".

Ofsted, June 2012

How to Apply

To apply for this post, please complete the application form and a letter supporting your application. In your letter you should:

1. State your reasons for applying for this post
2. Outline the experiences that you believe have prepared you for this post
3. Describe the skills and strengths that you will bring to the school, paying particular attention to the person specification above.

Please note that the application form must be completed in full. It is not sufficient to substitute a C.V. for all or any part of the form.

You are welcome to telephone or e-mail the school to ask for clarification of any matters in this booklet or if you have queries on how to complete the application form. We will be pleased to show prospective applicants around school during the week before the deadline for applications. If you are interested in a preliminary visit of this kind you should ring the school for details.

Completed applications should be sent to:-

Mrs S Cromie
Headteacher
Wycombe High School
Marlow Road
High Wycombe
Bucks, HP11 1TB

An Application Form can be found on our website: www.whs.bucks.sch.uk

References

Please note that it is our practice to take up references before shortlisting for interview. If you would prefer us not to do so unless you are shortlisted, please indicate this clearly in your application. Current and previous employers will be contacted as part of the verification process pre-appointment checks.

When an applicant is short-listed, any discrepancies or anomalies in the information provided or issues arising from references will be taken up at interview. Your referees should include your most recent employer. References from relatives or friends are not acceptable.

Safeguarding

Wycombe High School is committed to safeguarding and promoting the welfare of children and young people. All staff are required, before taking up post, to undertake a criminal record check through the Disclosure and Barring Service (DBS).

Candidates for teaching and support staff posts will be assessed at interview for their suitability to work with children. Appointment is conditional upon at least two satisfactory references which include specific comments on working with children and young people.

All staff at the school have a responsibility to promote and safeguard the welfare of students at the school.

Pay and Conditions

Pay Scale

UPS or Teachers' Main Scale
(+ TLR 2b for a Subject Leader)

Equal Opportunities

Wycombe High School is committed to equal opportunities for all its students and staff, irrespective of race, colour or nationality, gender, marital status, family circumstances, religion, sexual orientation, age or disability. There will be no discrimination on these grounds, or for any other reasons which cannot be shown to be justified. Students applying for admission to the school and candidates for posts at the school will be treated according to school policies on admission and recruitment and with regard to British and European legislation.

Attention will be paid to the importance of equal opportunities education in both the formal and informal curriculum and our curriculum will be reviewed at frequent intervals to ensure that this policy is reflected in practice.

The Headteacher is responsible to the Governors for monitoring this policy.

The school operates an Equality Cohesion Scheme.

Smoking and alcohol

The school operates a no-smoking policy. Smoking is not permitted at any time on the school site.

The consumption of alcohol on the school site is not permitted during the hours of the timetabled school day and thereafter only at the Headteacher's discretion during authorised school events.

Dress Code

The school has a dress code for staff: staff should dress in a business-like and professional manner, similar to the dress styles which are the norm among service industry professionals who regularly meet the public, such as bank staff. Discrete piercings in the lower ear only are allowed; and no visible tattoos, in line with expectations for students.

"An extensive programme of coaching and training, including opportunities to share good practice across schools, supports staff development. Arrangements for the management of performance are robust".

Ofsted, June 2012

Key Dates

Key Dates

Deadline for Applications: **8am on Monday 25 March 2019**

Interviews will be held on: **Friday 29 March 2019**

Candidates will be advised by the end of the day on Monday 25 March 2019 if they have been successfully shortlisted for interview on .

Candidates who have not heard from us by then should assume their application has been unsuccessful on this occasion.

Please note we reserve the right to close or extend this position depending on the number of applications received.
