## INTRODUCTION TO CAMPSMOUNT

**'Something very special is happening in this school'**

*Ofsted Lead Inspector*

Campsmount is situated in the village of Norton, approximately 10 miles North of Doncaster on the border of West and North Yorkshire and with easy access to both the A1 and the M62. Our catchment area includes Norton and the ex-mining communities of Askern and Campsall, with students also travelling from more rural communities in North, West and South Yorkshire.

The 'highly recommended' Academy benefits from a very attractive site which comprises excellent sports facilities, including floodlit all weather courts. In 2012, we moved into our superb new building that provides outstanding facilities for staff and students.

Campsmount is an Academy within Leger Education Trust. We are committed to providing a high quality education for students, regardless of ability, and we offer a wide range of learning experiences that will inspire, engage and motivate all learners, leading to success and achievement.

The Academy has had much recent success and as a result is very significantly oversubscribed on entry into Year 7. The most recent Ofsted rated the school 'Good' in all areas with 'Outstanding' behaviour. Alongside this, the school has seen steadily improving results and is now one of the top performing schools in the Authority. In addition, results in the Sixth Form are rapidly improving. The lead inspector stated that 'something very special is happening in this school'.

Despite this success we are committed to becoming a 'truly great school' in every aspect and we believe that quality teaching first will ensure students make excellent progress. We pride ourselves on the atmosphere and ethos around the Academy and inspectors commented that 'the quality of relationships between students and adults is impressive'. Our expectations of our students and also ourselves are high, and as a result we are looking for a particular individual who can meet these expectations.

Please look at our website for further information: [www.campsmount.com](http://www.campsmount.com). As well as our very active twitter page @CampsmountAcad. I hope you will consider joining us at this exciting time in our development and see for yourself what is 'special' about Campsmount.
