## Teacher of Economics Application Pack

## Letter from Headteacher

Dear Candidate,

Thank you for showing interest in the post of part-time Teacher of Economics at Lady Margaret School.

Founded over 100 years ago, the school has a proud and successful heritage in educating girls. Following our centenary year, we are also looking to the future with the expansion of the Sixth Form and a move to a permanent four forms of entry.

We wish to appoint a part-time Teacher of Economics to be part of shaping that future, to build on the great strengths of the school, maintaining the highest academic and behavioural standards, whilst adapting to the fast changing educational landscape.

Lady Margaret School has always been a high performing school, as testified by its most recent 'Outstanding' Ofsted and SIAMS ratings. Recent results at GCSE have continued these high standards whilst reminding us of the challenge of building 'added value' for girls of all abilities. At A level, we enjoyed excellent results in 2019 and we continue to offer a rich curriculum for our students.

This post offers the chance to work with a committed and experienced staff as part of a learning community supporting each other to develop an innovative and exciting curriculum. This is a unique opportunity: to work in a school with a strong and proud heritage and to help lead it into the next exciting chapter in its history.

Thank you again for your interest in joining us.

Yours sincerely

Elisabeth Stevenson  
Headteacher

# Part-time Teacher of Economics

(or full-time combined with another subject)

Inner London Teachers' Pay Scale

April or September 2020 Start, Permanent Position

Lady Margaret School is a comprehensive Church of England school for girls aged 11-18. It is situated on Parsons Green in West London, and serves a diverse local community. It was founded in 1917 and became an Academy in September 2012. The school is extremely successful and over-subscribed. Staff, students and parents work together to develop each individual student within a culture of high expectations and respect. We aim to empower students to achieve high aspirations for themselves within a culture of hard work and respect for everybody.

Our exam results reflect the hard work of our staff and students. In 2019, 91% of our girls attained GCSE English and Mathematics at grades 9-4. At A Level, our results are consistently outstanding, with high numbers of girls progressing to a wide range of Higher Education courses. In 2019 63% of grades were A\*-B. Students at LMS have an excellent record of securing offers from top universities.

Following our centenary year, we look forward to building on this success. We are looking for a talented and enthusiastic professional to teach Economics to Key Stage 5 from April or September 2020. This position is suitable for either an NQT or someone with more experience. We also welcome applications from candidates seeking full-time employment and who are able to offer another subject.

As a member of our staff community you will have the chance to work with a strong staff team to build on the current successes of the school as we move forward into the next stage of our development.

Closing date for applications: Noon on Monday, 27th January 2020  
Interviews will be held on: Thursday 30th January 2020

For further information about this position, and an application form, please refer to our website ([www.ladymargaret.lbhf.sch.uk](http://www.ladymargaret.lbhf.sch.uk)), contact Mrs Wendy Gainham by email ([recruitment@ladymargaret.lbhf.sch.uk](mailto:recruitment@ladymargaret.lbhf.sch.uk)) or telephone 020 7736 7138 (8.30 am till 4.30 pm).

Lady Margaret School is committed to safeguarding children. The successful candidate will be subject to an enhanced DBS check.

## Economics at Lady Margaret School

The aim of Economics A Level at Lady Margaret School is to ensure students make sense of the diverse and changing economic climate both domestically and internationally. We seek to engage students across issues such as globalisation, market failure and government policies.

Economics is a popular A Level course. The department delivers the AQA specification with students studying a range of topics including market structures, international trade, government objectives and price determination.

By studying economics pupils will develop an interest in and an enthusiasm for the study of the subject while appreciating the contribution of economics to the wider economic and social environment. Pupils will develop an understanding of a range of concepts and an ability to use these concepts in a variety of different contexts; they will develop an enquiring, critical and thoughtful approach to the study of economics and will leave the course with an ability to think as an economist. This will help to develop the skills, qualities and attitudes that will equip them for the challenges, opportunities and responsibilities of adult and working life.
