Dear Prospective Headteacher Candidates,

I hope this letter finds you well. As the Chair of Governors at The Daiglen School, I am pleased to invite you to consider applying to join our vibrant educational community as our next Headteacher.

The Daiglen School has a long-standing commitment to academic excellence, personal development and a nurturing environment for our pupils. We pride ourselves on fostering a culture of inclusivity and innovation, where every pupil is encouraged to thrive both academically and socially and to 'Persevere and Excel'.

As we look for a new Headteacher, we seek an individual who embodies our core values: integrity, respect and a passion for education. You will be stepping into a role that is pivotal in shaping the future of our pupils and the direction of our School. Your leadership will be crucial in continuing our mission to provide an inspiring and engaging learning environment.

We believe that the ideal candidate will possess a strong educational background, proven leadership experience and a clear vision for driving educational excellence. We are particularly interested in your ability to engage with our diverse community, promote a positive school culture and work collaboratively with Governors, Staff, Parents and Stakeholders.

At The Daiglen School, you will find a supportive and dedicated team, eager to work alongside you in realising our shared goals. Our pupils are enthusiastic learners and our families are actively involved in their education. We are excited about the potential for you to build upon our achievements and lead us into the next chapter of our journey.

Anyone who visits The Daiglen School will feel its special character. We are a small school with a big heart and are able to offer excellent care and education to each child on a very personal basis.

If you are passionate about making a meaningful difference in the lives of our pupils and are ready to take on this rewarding challenge, we encourage you to apply. We look forward to receiving your application and learning more about how your vision aligns with ours.

Thank you for considering this opportunity to lead The Daiglen School. Should you have any questions, please do not hesitate to reach out.

Warm regards,

Sue Barnes

S. A. Barnes (Mrs)
Chair of Governors
