Mission, Vision and Core Values

Mission

At Glenalmond Phuket International School we inspire students to become adaptable, ethical, and globally minded innovators. Through a future-focused education that integrates academics, sports, the arts, and digital learning, we nurture well-rounded, compassionate learners ready to contribute to an ever-changing world.

Vision

At Glenalmond Phuket International School our vision is to be a vibrant international community where innovation inspires excellence and compassion shapes character. We strive to empower every learner to think crucially, act ethically, and engage confidently in an ever-changing global landscape. Through creativity, collaboration, and courage, our students are prepared to lead purposeful lives and make a positive difference in the world.

Core Values

At Glenalmond Phuket International School, innovation drives discovery and compassion shapes character. We inspire students to think creatively, act with integrity, and lead with empathy in a connected digital world. Through a balanced education in academics, sport, technology and the arts, we nurture confident, curious learners who strive for excellence and contribute meaningfully to a better future.

Motto
