**Head of Environmental Science KS5**  
**TMS/UPS plus TLR 3c (£3,169) – 1 FTE Permanent**  
**Start date: September 2024**

We are seeking an inspiring classroom practitioner with strong subject knowledge and leadership to lead KS5 Environmental Science. We wish to appoint a teacher of Science and Environmental Science who is or has the potential, not only to be an outstanding practitioner and foster a love of learning and of the natural world, but also to support and instil this passion in the team. You should be a role model in the Faculty, committed to excellence for staff and students in the team. You will lead KS5 Environmental Science curriculum, students and co-curriculum. Your passion and leadership will promote the course to younger students and ensure that Environmental Scientists make excellent progress and have the opportunity to go on to further study or careers in the discipline. This is an important role leading one of 7 Science courses at KS5 in a thriving and passionate science Faculty.

The Science team at Steining Grammar School is a close-knit team, dedicated to supporting each other and our students to enable them to thrive, develop and succeed. We have a large and successful Faculty offering combined science, separate science, health and social care at GCSE and Biology, Chemistry, Physics, Psychology, Environmental Science, Health and Social Care and Forensic Investigation at KS5.

**Are you able to:**

- Inspire and innovate?
- Nurture and develop (yourself as well as others)?
- Commit to, and raise further, high achievement and motivation?
- Monitor and develop student ability in Environmental science?
- Communicate effectively with a team of teachers, students and parents?
- Develop and improve a curriculum and curriculum resources?
- Identify and develop the potential of teachers in your team to work as a Faculty to improve practice and progress students?

**We offer:**

- A supportive, enthusiastic and passionate team to work in.
- The opportunity to make a difference.
- The chance to actively promote your career development.
- Happy and enthusiastic students who want to learn.
- The benefit of being part of a multi-academy trust offering the support of experienced colleagues across our schools and greater opportunities for career progression.
- Benefits including Teachers' Pension Scheme, free access to an Employee Assistance programme, Retail and other discounts, Cycle to Work scheme.

Steining Grammar School is a unique, successful and dynamic learning community with our 'Journey to Excellence' built on traditions of excellence and highest expectations, combined with a commitment to innovating and new thinking – supporting our students in being the best they can be in preparing them for their futures.

To arrange an informal discussion about the role, please email: Martha Wilkinson, Head of Science, [mwilkinson@sgs.uk.net](mailto:mwilkinson@sgs.uk.net).

**Closing date for applications: 9.00am on Tuesday 23rd April 2024. Interviews will take place week commencing Monday 29th April.**

**Early applicants are welcome and we reserve the right to interview and appoint should a suitable applicant apply before the closing date.**

*Bohunt Education Trust is committed to safeguarding and promoting welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. We are committed to equality of opportunity for all staff and applications from individuals are encouraged regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships. Applications from two people to make a single FTE job share welcome. The successful candidate(s) will be subject to pre-employment checks, including enhanced DBS checks and satisfactory references.*
