November 2017

Dear Applicant

Thank you for your interest in the **Teacher of Science** post at Abraham Darby Academy. This full time post is required for January 2018 and is suitable for both NQTs and more experienced qualified teachers. Applicants are welcome from scientists of all disciplines, and in particular someone with a Physics specialism.

Abraham Darby Academy is a vibrant, 11-18 mixed Academy which opened in September 2008 as part of the Haberdashers' Adams' Federation; a thriving partnership with Adams' Grammar School in Newport. A focus on traditional values and high expectations is resulting in rapidly rising standards and popularity as a school of first choice. We moved into our new state of the art Academy building in July 2012 and both pupils and staff are benefitting from a 21st century ICT rich learning environment and a superb leisure complex. We were judged to be a 'Good' school by Ofsted in June 2015 and our aspiration is to move this to 'Outstanding'.

We are seeking to appoint an inspirational, enthusiastic and committed Science teacher to teach across the age range, with the ability to teach to A level. The successful candidate will join a highly committed team dedicated to raising achievement and transforming learning. A commitment to extra-curricular and curriculum enrichment is essential.

I have enclosed a number of pieces of information that you will find helpful in making an application. These include; an overview of the Academy, post details and person specification, our last Ofsted Report and an application form. Further information about the Academy can be gained from our website.

In making your application, please submit:

1. The completed Academy application form,
2. A brief Curriculum Vitae,
3. A supporting letter, no longer than two sides of A4, describing:
 - a. the skills and experiences you would bring to this post,
 - b. how you would contribute to raising achievement, and
 - c. the contribution you would want to make to the 'wider life' of the Academy.

I look forward to receiving your completed application by **4.00pm on Wednesday 4th January 2018**. It should be returned electronically to Debbie Tudor, PA to the Principal, deborah.tudor@taw.org.uk. Interviews are to be held shortly afterwards.

If you wish to contact me for an informal discussion, please either arrange this via my PA, Debbie Tudor, on 01952 386000 or email me direct on lee.hadley@taw.org.uk

Yours sincerely

L J Hadley
Principal
