

TEACHER OF Computing

- To start September 2020
- Full-time (MPS/UPS Fringe)
- Possible TLR available for the right candidate

The Enterprise and Digital Technologies Department

The department has several specialist teachers. The role would be to teach Computer Science at KS3/4 and 5 if suitable. Teaching for subjects in this department takes place in computer suites, each equipped with 30 PCs.

A wireless network covers all areas of the school. Every teaching room has a desktop PC, a visualiser, a DVD player and sound system, all linked to a ceiling-mounted data projector. There are laptop trolleys for teachers to book for use in teaching rooms in other areas of the school. Teachers can also book flip cams, digital cameras and scanners. Pupils in all year groups can 'Bring their Own Device'.

Years 9 can choose to take GCSE Computer Science. The subject is extremely popular with students. We are a co-ed comprehensive academy rated Outstanding by Ofsted, with state-of-the-art facilities for 1,000 pupils on a £30m campus. We have motivated learners who want to learn and we have school value education and are very supportive.

The curriculum is firmly embedded and we have an experienced Head of Faculty so the successful candidate would have lots of support. However, innovation is vital in keeping learning exciting so we are looking for a teacher with great enthusiasm for Computer Science who wants to try out new ideas and help shape the future of the subject at the school.

GENERAL INFORMATION ABOUT THE SCHOOL

Yavneh College is located adjacent to the Elstree Film and Television Studios in Borehamwood, Hertfordshire. The town of Borehamwood lies within Green Belt countryside on the outskirts of north London. Borehamwood and Elstree Station, 10 minutes' walk from the school, provides a fast and frequent train service south to Central London and north to St Albans and Luton. The main bus station for Borehamwood is a 3-minute walk from the school and provides services to the local Hertfordshire towns and north London suburbs.

Yavneh College is an 11-18 co-educational comprehensive and was granted Academy status in July 2011.

Yavneh College has a £30m purpose-built campus for 1,000 pupils. We have state-of-the-art facilities and equipment throughout the site.

Although Yavneh College is a relatively new school, the appointment of a very experienced and successful Senior Leadership Team and teaching staff has meant that the school has enjoyed a reputation for excellence from its inception. Children of staff receive priority for admission to the school (full details are available in the admission section of the school website).

Yavneh College is a Jewish faith school. Our aim is to produce young people who are confident about their identity as members of the Jewish community and of wider British society, and well-equipped with the academic qualifications and wider key skills necessary for successful participation in today's employment market. There is no requirement for staff to be Jewish; we welcome applications from all sections of the community and appoint the best. The majority of our staff are not Jewish.

EXTRACURRICULAR

Extracurricular activities are very important at Yavneh College and pupils are encouraged to partake in a range of wider experiences. As well as sports fixtures, whole-school productions, theatre trips etc, we timetable over 60 extracurricular activities into the school day on Mondays, Tuesdays and Thursdays as part of our 'Enrichment Programme' for all KS3 pupils immediately after lunch.

KS4 pupils participate in an enrichment on Wednesdays each week. Enrichment activities are delivered by the teaching staff and are included when calculating teachers' contact time.
