

Full Time Teacher of Chemistry Maternity Cover

We are seeking a highly skilled colleague who will be dynamic and committed to the school. The qualities/skills/experience we are looking for include:

- excellent academic/professional qualifications
- excellent classroom skills reflecting the standards laid out in the Teachers' Standards document
- the highest possible expectations of standards of behaviour and attainment
- a proven record of success in teaching Chemistry and the ability to teach at Advanced Level. NQT applications are welcomed.
- the ability to demonstrate enthusiasm and passion for the subject
- an awareness of current developments in the subject
- the ability to use data on student achievement as effectively as possible
- ICT skills that enable you to make the best use of new technology to support teaching and learning
- excellent inter-personal skills
- the ability to work well within a team and contribute to planning of schemes of work
- an excellent rapport with both students and colleagues
- decision-making skills
- excellent communication and presentation skills
- the ability to work effectively under pressure
- a commitment to safeguarding and promoting the welfare of students
- a commitment to the wider life of the school
- a commitment to equality of opportunity
- a commitment to continuous improvement and professional development
- boundless energy and a sense of humour!
