Post: Head of Modern Foreign Languages

I am delighted that you are considering applying for a position at Ashton Community Science College.

We are seeking to appoint an outstanding leader who will:

- Raise achievement and deliver excellent academic outcomes
- Model excellence inside and outside the classroom
- Be flexible and resilient
- Evaluate and improve their impact and effectiveness
- Actively contribute to our SCAMPs programme of extra-curricular activities

This is an exciting time to join our school community. We recognise that we must work hard to ensure the challenges of new specifications are robustly overcome and our learners go into their terminal examinations with confidence. A significant amount of work has already taken place in respect of this; if you are successful in your application you will be joining a department that is well placed for continued success. Having said this, we are flexible and keen to improve our approaches; if successful you will contribute to the refinement of the schemes of learning that are currently in place along with assessment practices.

As a teacher in our school family, you will be driven by a relentless pursuit of excellence, wanting French to take its place alongside the highest performing subjects in school.

We are offering:

- professional challenge and support as a member of our school family.
- High quality CPD opportunities
- Friendly, committed staff and students
- A well-resourced department

Should you choose to apply then please ensure that the enclosed application form is completed fully. A CV is not required. Supporting statements should be no longer than 2 sides of A4, 12-point font and should address how your experience to date has equipped you for this post and your personal vision for the development of MFL at Ashton

We look forward to hearing from you.

Yours faithfully

Sharon Asquith

Headteacher
