Learning outside of the classroom

Here at Co-op Academy North Manchester we believe that Home Learning enhances pupil learning by increasing fluency and independence. Home Learning is carefully planned and as such is an integral part of the curriculum. Home Learning supports pupils in developing detailed knowledge and skills. Similarly our remote education offer given to pupils is demanding and match the aims of the in-class curriculum. We also offer a large number of extra-curricular clubs, trips and visits that pupils can be involved in over the course of the year. There are clubs which are directly related to subjects that pupils study, and those which are not. The variety on offer makes sure that the interests and needs of all our pupils are catered for.

Mrs S Tomkow
Assistant Vice Principal Teaching & Learning

Curriculum

The curriculum at Co-op North Manchester is designed to ensure that pupils receive an excellent education. The curriculum is broad and balanced to give pupils the opportunity to explore a range of subjects over the course of a 3 year KS3 before specialising in KS4. It is our belief that each subject discipline offers valuable knowledge, skills and experiences that are unique to it and all of our pupils are entitled to access to this. All subjects are taught by subject experts who have a clear understanding of what pupils need to know, understand and be able to do to make progress in their subject. Subjects are delivered with high levels of authenticity and subject leaders focus on what it means to be an expert in their subject before providing opportunities for pupils to develop in this way.

As a specific part of our curriculum pupils in year 7 and 8 follow our reading curriculum which is time dedicated for them to read, be read to and develop a love of reading. Pupils are given the opportunity to read full novels, develop their fluency and vocabulary.

Safeguarding and Attendance

We take safeguarding very seriously at Co-op Academy North Manchester and it is important to us that all pupils feel happy and safe in and out of school. We have a large team who are trained in all aspects of safeguarding and we have a comprehensive continuing professional development package to ensure we are always up to date and current. I am often asked by people what the challenges of being a safeguarding lead in an inner city secondary school are but I always remind people that in our school, we work to our belief that safeguarding is everyone's responsibility and we work hard together to keep children safe. If you want to work in an environment where no two days are the same but every day is rewarding, then do consider applying.

Mr T Greenfield

Assistant Vice Principal Attendance and Safeguarding

Mental Health & Wellbeing

We have always been at the forefront of looking after both pupil and staff mental health and wellbeing and we have extended this even further in recent years. We have a range of workload and wellbeing strategies, ways of working which keep us connected as well as a very strong employee assistance offer. Here at Co-op Academy North Manchester, we value the individual and ensure that we have access to counselling services, our resident EP as well as lots of events such as Time to Talk, our Mile Walk and other therapeutic services which benefit pupils in many ways. We are really proud of our mental health and wellbeing offer. If you believe, as we do, that mental health and a strong sense of identity and community is as important as academic success or physical health, then we'd love to hear from you.

Mrs S Fiddler

Vice Principal Inclusion and Personal Development

We work hard to instil high levels of engagement in the classroom and are committed to ensuring that pupils are challenged if we think they could improve. The academy needs staff who are committed to bringing out the best in our pupils and who will have the highest of expectations of them; if that's you, then please get in touch.

Wellbeing

Wellbeing is articulated in the cornerstone of our vision in terms of everyone leading 'happy and successful' lives but we also recognise that a 'one size fits all' approach is not appropriate. What would be useful for one person may not be what another needs in order to feel happy and confident. We respect each other, our environment and ourselves and our wellbeing offer underpins that commitment. To ensure the Academy is a healthy and safe place to be means that our wellbeing offer is varied, personalised and changes dependent on the needs of the people in the organisation at any one time.

Examples of some of the approaches we use to support mental health and happiness:

- Time to talk
- Access to counselling service
- Mile walk
- Mindfulness
- Free tea and coffee
- Policies contributed to by staff
- Your Voice Survey
- Our commitment to a values led organisation
- An extensive extra curricular offer
- CPD programme
- Workshops on identity, diversity and community
- Parent support for issues such as e-safety, self-harm and self esteem

Our middle leadership works closely with the Senior Leadership team and there are opportunities to work on development across school. There are a number of training opportunities available such as:

- The CSLE programme – the Co-operative Senior Leadership in Education programme
- NQSL
- Job shadowing and working with those we host on leadership residencies
- Weekly Middle Leader training and contribution to leading elements of these
- NCE Levels 3, 5 and 7
- NPQs

Leadership Development

At Co-op Academy North Manchester, all staff, are encouraged to lead in a variety of ways. Leading some, part or even a whole of one of the experiences listed allows you to:

- Work with pupils whom you may not necessarily teach
- Build strong relationships
- Collaborate with staff in different subjects and roles across the Academy
- Be an important part of providing the rounded education at the heart of our vision and values.

Being committed to leading in the classroom is one thing, investing time in pupils beyond that to develop them as leaders is extraordinarily powerful.

Take a look at our 52 ways you can lead on the next page. There are many, many more and we are always open to new ideas and approaches.

Our 52 suggestions are just that but they do allow us to work across the pastoral and academic spectrums and work with young people as the whole child. It's also what pupils remember when they leave and ask for more of when they talk to us in 5 a day.
