‘High Achievement for All is our Shared Responsibility’

WELCOME TO CRESSEX COMMUNITY SCHOOL

About Us

The School

Cressex Community School is a popular and successful secondary school with approximately 750 students on roll on the western flanks of High Wycombe. In 2010 we moved into an outstanding new building. Classrooms are large, bright, and equipped with the latest technology, including Promethean interactive whiteboards, and have plenty of storage space. Our sporting and other facilities are state-of-the-art, and staff are able to benefit from a free on-site gym.

Our Values

We take great pride in the quality of education we offer, and in our strong team-working among students and staff. Our student body is wonderfully diverse; at the time of the last school census over 30 different first languages were recorded. We have a number of very able students who perform excellently in public examinations. In 2022 and 2023, our students achieved the best results in the school's history in many subjects, with a high proportion of exams passed at the top grades, and an overall Progress 8 score of approx. +0.4. As an all-ability school, we are equally proud of the success of our lower attaining students. All students achieved at least one GCSE pass; 99% gained five or more passes.

Why Join us?

Our most recent Ofsted inspection in January 2019 recognised us as a 'good' school with a number of outstanding features. Our students were described as:

“charming, confident, respectful and welcoming.”

The staff at Cressex are highly skilled and committed to securing high achievement for all. We are a family-friendly school that actively promotes a healthy work-life balance through reduced marking volume (we have three Assessment Points per year instead of six); a four-day teaching period every Friday; two weeks' paid paternity leave, and many other benefits.

OUR PASSION FOR ENGLISH

The English Department

The Team

The English Team's motto at Cressex is "No Ceiling on Achievement" and the Department goes from strength to strength. A team of six expert, dedicated teachers have carefully designed a challenging and engaging curriculum with interleaving of knowledge and skills from Key Stages Three to Four.

The Accelerated Reader programme in Years 7 and 8 allows students to develop their reading skills through engaging Library lessons. Students enjoy English as they are inspired, challenged, and supported with excellent resources that are regularly created and shared by teachers. We are well-organised and operate efficiently and are supported by a dedicated English Technician every day.

Our Results

English achieved very strong results in the most recent round of full GCSEs (2023). In English Language 76% of students gained a Grade 4 or better, with 22% gaining grade 7+. In English Literature, 83% gained a Grade 4 or better with 33% gaining a Grade 7 or above. The English Team contributed to an average Value Added score of 0.6 in the 2023 results, and our students go on to study a range of Post-16 courses and apprenticeships at local grammar schools and renowned institutions alike.

We believe that students excel most when they enjoy learning about relevant and challenging ideas and are exposed to literary and cultural experiences; thus, our extra-curricular offer is reflective of our vision to expand horizons and minds. In 2022-23, students in all year groups enjoyed a range of theatre workshops on-site and at the Globe Theatre; an author visit for World Book Day; a workshop with National Geographic Kids' Editor; and two of our most able Year 9s are currently taking part in the competitive UCL Scholars programme.

Our Students

Students' behaviour throughout the school is exceptional. Teachers have positive relationships with our humorous and well-mannered students. As a smaller-than-average but oversubscribed school, teachers really know students on an individual basis, and are able to help them develop over time. Successes are celebrated regularly, including the dissemination of students' excellent written work.
