- Medical insurance with Cigna (Thailand);
- Generous support for personal professional development

Position	The Teacher of Physics reports to the Head of Physics, Mr. Christopher Gettel, and the Director of Science, Ms. Laura Garcia, and
Summary:	is expected to teach a full timetable of 48 periods (55 minutes / 10 day cycle). This outstanding department teaches throughout the Senior School (Years 7 – 13), and all Science teachers are expected to deliver all three sciences to KS3 level. Experience of teaching Physics at IGCSE and Advanced Level is desirable. We are looking for an inspirational teacher who is keen to further enhance the teaching and learning in the school. Science is a high-profile subject at Shrewsbury International School. Our students have enjoyed considerable academic success, with a high proportion selecting Science A-levels, in the Sixth Form after completing IGCSE Coordinated or Triple Science and then going on to pursue science degrees at university. Operating in a department of six purpose built Physics laboratories housed in the school's new innovation building, Physics is the most popular science subject; we currently have 5 Physics specialists working with 6 groups taking it at A-level. Results in the subject are impressive: in 2019 71% of students achieved an A or A* at A-level and in 2020 over 70% of the A-level grades were awarded as an A* or A. The school offers the CIE IGCSE in Physics (alongside the Coordinated Sciences double award IGCSE) and then the CIE International A-level in the Sixth form.
General:	Shrewsbury is one of South East Asia's outstanding international schools, with enrolment of over 1850 students from Early Years to Sixth Form, exceptional examination results and particular strengths in the creative arts, design and sport. The school has recently opened a new world-class senior school building which will allow numbers in the school to continue to grow. The school itself enjoys a delightful and spectacular setting, right on the banks of the Chao Phraya River in the heart of Bangkok. The teaching environments are spacious, fully equipped and dramatic. The school is readily accessed by road and has its own boats, which provide an easy and quick link to Bangkok's Skytrain and the city centre. The link with Shrewsbury School UK (www.shrewsbury.org.uk) is taken very seriously and, year-on-year, develops into a world-class educational partnership.

Candidate Profile:	<p>The successful candidate:</p> <ul style="list-style-type: none"> • will be a dedicated teacher capable of inspiring students; • will have a full working knowledge of the English National Curriculum and an ability and aspiration to attain high standards; • will have either experience of working with English Language Learners (ELL) or a desire to broaden his / her experience and skills in EAL teaching and learning strategies; • will have assessment for learning skills; • will have a flexible approach to working within the school curriculum and structures; • will have demonstrated an appreciation of the value of the extra-curricular dimension in developing the potential of students; • will have excellent interpersonal skills and a positive approach to professional development particularly in the areas of EAL and ICT; • will be internationally minded; • will have the ability to work within and apply all school policies e.g. behaviour management, child protection, Health and Safety, Equal Opportunities etc.
Child Safeguarding:	<p>Shrewsbury International School is committed to Safeguarding and Child Protection promoting the welfare of children. The successful candidate will be required to</p> <ul style="list-style-type: none"> • attend in-house Child Safeguarding training; • promote and safeguard the welfare of all students in the school; • report to the Head of Student Welfare any concerns they have for the welfare of a student.
