Dear Applicant,

We would like to extend a very warm welcome to you as a prospective candidate for the position of Principal of The Ockendon Academy.

We believe that, by working together, we can make your time in our academy both enjoyable and rewarding. Together, we can all be successful and achieve our goals, while 'enjoying being the best we can be.'

Our Student Council has identified the following important qualities and skills for our new Principal:

- A vision for the future of the Academy,
- The courage to take on challenging tasks,
- A firm but fair approach to any situation that you may face.

We have more than 150 staff members and over 1000 students in our academy and you will find us welcoming and approachable. You will be required to communicate and work well with others while carrying out this important Principal role.

Everyone at The Ockendon Academy thanks you for considering working with us and we wish you good luck and success in the future.

Yours faithfully,

The Students of The Ockendon Academy.
